

# 2017 CALGARY STAMPEDE

**07 - 16 JULY ....GREATEST OUTDOOR SHOW ON EARTH**

Each year, more than 1 million visitors from across North America and around the world come to Calgary to experience the heart-stopping action of the world's roughest and richest afternoon rodeo, featuring bull riding, barrel racing, and more. The GMC Rangeland Derby is the world's top chuck wagon races, and a Stampede original, with 36 teams of horses and drivers competing, and it's all capped off with the nightly Trans Alta Grandstand Show and fireworks finale that lights up the sky for all 10 days. Beyond the Grandstand, is one of Canada's largest music festivals, with five stages and 300 performers, including a slate of international music headliners. Visitors of all ages will be entertained as they experience world-class agricultural events and adrenalin-pumping midway rides, or step back in time at the Indian Village, to share in authentic cultural activities.
