

2018 may–september alaska cruisetours

For most people, Alaska is a dream holiday — a once in a lifetime adventure that tops many a bucket list. And when you travel so far you don't want to miss a thing. Which is why Princess offers a wide range of cruisetours that combine a 7-night cruise with scenic rail travel and multiple days touring Alaska by land. It's simply the best way to see the best of Alaska!

Dozens of options: There are more than 22 cruisetour itineraries to choose from in 2018, each featuring Alaska's top two attractions — Glacier Bay National Park and six-million-acre Denali National Park, home to North America's tallest mountain. There are also cruisetours that include Wrangell-St Elias National Park and/or Kenai Fjords National Park, as well as deluxe escorted tours that include the expertise of a tour director for an even more enriching experience.

Exclusive rail service: Only Princess offers Direct-to-the-Wilderness® rail service that takes you from your ship to our exclusive wilderness lodges in the Denali area in the same day, for more time exploring and less time in transit.

Spectacular wilderness lodges: At the doorstep of legendary national parks sit our exclusive Princess-owned wilderness lodges, the ideal location for exploring Alaska. Enjoy comfortable accommodations, fresh Alaska seafood and unbelievable views.

Get to know Alaska: On your cruise and on land, you'll experience North to Alaska, our exclusive award-winning enrichment program that features local personalities, like mountain climbers, an Iditarod champion and a storyteller, who share their insights what it's like to live in the Great Land. Guests will also be delighted to meet sled dog puppies in the Piazza, and dine on Signature Alaska Cuisine, and if you hook it on a Princess excursions, we'll cook it to your liking with "Cook My Catch!"
