# Alaska Unleashed

*Joe's Journey... an unmatched, hands-on exploration*

Adventure cruises that are unbound by rigid schedules providing ample time to view wildlife and unmatched scenery. Meld with nature, make cultural discoveries, enjoy kayaking, hiking, paddle boarding or sailing, and bask in the splendour of the surroundings.

**Why you should send your clients to Alaska on an American Safari or Inner Sea Discoveries Cruise...**

## Day One

A wolf pack including cubs and two bears all within 20 metres of each other, mountain goats, another bear and her 3 cubs, hundreds of Stella sea lions, numerous Otter, bald eagles and puffins. Dinner beside a glacier. Did I mention humpbacks?

## Day Two

A walk on a glacier, kayaking, swimming and paddle boarding. Did I mention the humpbacks bubble feeding?

## Day Three

Two pods of Orca, right beside the ship for over 5 hours. Tail slapping and breaching, swimming beside and underneath the zodiacs nibbling at the hydrophone we had dangling to hear them talk. Did I mention the humpbacks swimming amongst the Orca?

*.....And that is just a slice of the first 3 days of my 7 night Glacier Bay Discovery Cruise.*

American Safari Cruises also cruise in Hawaii (see our special offers) and The Sea of Cortes in Mexico. All their cruises focus on exploring the wildlife and scenery of these areas. In fact in Hawaii you may get to see the same Humpbacks as we saw in Alaska but this time with their calves....

*Joe*
