OLÉ! IT'S SPAIN AND PORTUGAL WITH CRUISE WORLD

The Iberian Peninsula was populated by hominids 1.2 million years ago and later by Celts around 45BC. That's old! Today Spain and Portugal have a distinctly vibrant culture overflowing with bravado and tradition. The architecture reflects Roman and Moorish influence and the fantastical and eccentric works of Antoni Gaudi.

The cuisine of Portugal is similar to that of Spain; it originates largely from peasant food – hearty, rice-heavy dishes that are filling and cheap to create such as paella, and they go best with a big grunty Spanish red or the liquid-raisin Port Wine from Portugal. Delicioso! Cruise World has big ship, small ship and gorgeous land journeys available.
