•• HERITAGE LINE ••  
Collectors . Artisans . Hosts

Heritage Line is a singular cruise line. Passionate to the core about creating unforgettable and refined river voyages, we operate luxurious ships on Southeast Asia's most fascinating waterways.

Heritage Line is a collector of distinctive vessels. We compassionately design and build ships, with inimitable décor and outfitting. Details are painstakingly crafted to remake history. And every boat has its own tale to tell. We are artisans rather than mere providers of tours on water. We bring untold stories to life with the perfect mix of comfort, adventure, culture, tradition, authenticity and extravagance. Ours are journeys that inspire our guests to return, time and time again. And Heritage Line is personal, creating intimate bonds and nourishing friendships. Being wonderful hosts, we remember your name and make your journey a truly memorable one.

•

Meet *Ginger*, *Violet* and *Jasmine*. Three Vietnamese junk-styled vessels known as the "sisters" and named after beautiful flowers native to the region. Although they are siblings, they are quite distinct from one another. There is *Ginger* – the graceful. She is the most elegant one and a re-invention of an élite naval abode. She sails the untouched and serene waters of Lan Ha Bay. *Violet*, the youngest, is exquisite yet delicate. Her Art-Deco-coquettishness will melt any heart. *Jasmine* – the middle child – is sturdy but has a decidedly languid air about her.

## THE GRACEFUL SISTER

*Ginger* is Heritage Line's most recently launched vessel which will cruise in Lan Ha Bay (June 2018), a quiet extension of the famed UNESCO Heritage Site Halong Bay. *Ginger* boasts a stunning Indo-chinese-Vietnamese heritage theme paired with refined contemporary accents. The style interlaces long-lasting traditions of major regional elements which are displayed in the rooms and play key roles in Vietnamese sagas and poems, including landscape, botany and mythological birds.

*Ginger* has only 12 spacious, natural light-flooded Suites - all with wide panorama sliding glass doors opening onto a private balcony. The vessel's true uniqueness is her refined culinary attitude combined with a refreshing lifestyle component. Its terrace deck is a remarkable public area hosting an almost 360-degree light-flooded restaurant where live cooking is performed. Another exclusive facility is the adjacent pool, encircled by shaded cabanas and sun beds. Located in the stern of the ship, offering wonderful views of the bay through vitreous floor to ceiling frames, the spa area adds another state-of-the-art facility.

RECEPTION LOUNGE

With its ceiling covered with delicate wood panels and warm colored stucco decoration, the lobby reminds of ancient Indochinese wooden junks gliding over the calm waters of the bay. Armchairs and sofas as seating space are available and a little boutique corner invites guests to get a souvenir.

LIBRARY LOUNGE

The library lounge is an air-conditioned area with a comfortable sofa lounge arrangement. Take some books or magazines or talk with our friendly crew about the displayed antiques and artifacts.

LADY GINGER SPA

The vast spa is located on the upper deck and occupies the whole stern area of the ship hosting three treatment rooms. All of them offer views over the peaceful Lan Ha Bay. One area provides comfortable massage chairs with fine upholstery for reflexology, manicure and pedicure. The two other private rooms, one of which has a steam bath, are enjoyable sanctuaries for couple and single treatments.

TERRACE DECK

*Ginger's* terrace deck is the perfect place to spend time outdoors while on board. This deck boasts a pool tiled with blue mosaic tiles and is surrounded by lush cabana-shaded sun beds, creating a life-style vacation flair in the middle of one of the most surreal seascapes on earth.

RESTAURANT (WITH LIVE COOKING) & BAR

*Ginger's* top "USP" is very likely its practically 360-degree view daylight-flooded restaurant and bar. Surrounded by glass and a decorative ceiling, the centrally located live cooking zone is the venue's epicenter and brings life and excitement to the culinary experience. Dark wooden furniture with luxurious fabrics offer comfy, private seating. The stylishly illuminated backdrop of the adjacent bar invites guests to get together at any time of the day without missing a single glimpse on the bay.

## • LIFE ABOARD •

Step aboard *Ginger*, your home while you explore one of nature's wonders, Lan Ha Bay. The private atmosphere on board makes it feel almost like you have the whole vessel to yourself. Enjoy the vast space and homey feeling in your room, or head out to the pool deck and take in the blue hour with a sundowner after some cycling around the jungle-like Cat Ba Island. You can also learn more about local cuisine and customs by joining a cooking class to find out how to strip down a fresh squid – be careful with the ink! But maybe nothing is more enjoyable on *Ginger* than balcony breakfast in close togetherness with your partner while the boat slowly sails back to the harbor passing thousands of karsts and small islands.

---

### Activities

*Tai Chi, live-cooking workshop, private in-room dining (on request), spa, steam bath, cycling tour on the jungle-like Cat Ba island, on board presentation, kayaking, swimming, sunbathing by the pool, board games, souvenir shop, library, in-room entertainment.*

Extra-large windows offer brimming views of the bay and provide plenty of natural daylight. ## THE 'MIDDLE' CHILD

The second of “the sisters” is the amiable middle-child, *Jasmine*. Guests who are looking for comfort paired with the ease of *laissez-faire* adventure in Halong Bay will appreciate *Jasmine*. Isn't this what a picture-perfect trip to Halong Bay should be like?

Two floors of rooms and two expansive public decks characterize *Jasmine*. Her interiors feature polished wood in all areas making for a distinctive homey feel and her three large, tawny sails underline her stately sense of pride. Guests will appreciate the spacious, airy dining areas which offer just the right amount of privacy. A pair of swinging doors connect the restaurant to the outer terrace deck and allow for an easy transition to pleasing al-fresco moments.

Are you looking for more of a tête-à-tête? One floor up from the terrace deck you will find the vast sun deck with spectacular views, comfortable sun beds, shades as well as tables and chairs where you can dine “on the top” of Halong Bay.
