OUT OF AFRICA

"You know you are truly alive when you are living among lions."
Karen Blixen, the film *Out of Africa* is based loosely on her autobiographical book.

Also out of Africa are legendary Earth Journeys.. created by Tauck and BBC Earth, you've seen it on TV, now experience it in real life. From frozen worlds to tropical jungles shallow seas to African plains. Tauck and BBC Earth take guests on a journey to discover what inspires the world's greatest nature filmmakers – a backstage pass to experience, in person, places, people, animals and stories relating to the BBC's landmark natural history series. Earth Journeys bring you enhanced BBC Earth content, including hands-on use of field equipment to see how the BBC's filmmakers reveal nature's secrets, bespoke videos created for each destination, and educational touches. All to bring you a fresh perspective on our planet.

GREAT MIGRATION: TANZANIA & KENYA

Follow wildebeest and zebra on their annual trek from Tanzania's Serengeti National Park to Kenya's Masai Mara National Reserve in search of greener pastures. Spend two nights in Ngorongoro Conservation Area with a game drive and picnic lunch in the wildlife-rich crater... Stay in a mobile safari camp designed to move with wildebeest, zebras, eland and gazelle as they migrate to grassier plains, usually followed by natural predators such as lions, hyenas and leopards; a hot air balloon ride with breakfast in either the Serengeti or Masai Mara; and a private visit to Sheldrick Animal Orphanage with exclusive viewing of baby elephants at feeding time.

Accommodations include intimate lodges with stunning views in Arusha and Ngorongoro, a mobile tented camp in the Serengeti for optimal wildlife viewing, a tented camp in Masai Mara selected for comfort and luxury in the bush. The Great migration is natural phenomena; experience it in a completely unique way with Tauck and BBC Earth.
