

CRUISING AUSTRALIA & NEW ZEALAND

There is no denying there is pent up demand for cruising and with the Trans-Tasman bubble imminent, now is the time to start thinking about cruising in and around Australia & NZ. With an impressive collection of cruise options from river cruising on The Murray, to an inaugural tall ship sailing circumnavigation of Australia, expedition, luxury small ship, big ships, and to self drive boating holidays around the Whitsundays & Great Barrier Reef, there will be something to suit.

We have Australia and New Zealand covered! Here are a few of our picks!
