Groups Galore, Enticing Eastern Canada and Rail, Rockies & Resorts

Something Old, Something New, Something Borrowed, Something Blue

Eastern Canada is all this. Old being its French history deeply rooted in the province of Quebec, new being the modern metropolis of Toronto, the borrowed culture of the English & French settlers, and blue – the colour of the Quebec flag symbolic of the blue ocean they crossed to get to the new land. Canada Traveller offers a range of itineraries exploring this stunning region. Choose from seamless small group escorted tours, customised Via Rail journeys, city stays and customised self-drive packages. The latter is a great way for those wanting to be independent to explore beyond Quebec. Charlevoix is an area of untouched beauty and a favourite outdoor playground of the Quebecois.

Quebec is the largest French speaking province outside of France. The walled city of Quebec is quaint and old, with narrow cobbled lanes and cafes spilling out in to the streets. Menus, street names, newspapers, cuisine, the local language - c'est très Français!

Experience more French culture in Montreal and see the magnificent architecture of the capitol city – Ottawa. Toronto is a vibrant metropolis of nightlife, restaurants and sightseeing.

"The beaver, which has come to represent Canada as the eagle does the United States and the lion Britain, is a flat-tailed, slow-witted, toothy rodent known to bite off its own testicles or to stand under its own falling trees"
