This will then be charged directly to your on board account. For more information, visit our website, or contact Guest Services once on board.

Please be aware that WiFi is subject to service operation and is operated over a satellite connection – this can at times result in speeds much slower than you might experience at home.

TIPPING

To make rewarding our crew on board as straightforward as possible, gratuities (applicable to adults and youths aged 12-17) will be added to your on board account. The amount (see our website for suggested amount) is not compulsory and can easily be altered by visiting Guest Services on board.

You are welcome to tip personally if you prefer. We are also pleased to offer the option of pre-paying your gratuities before your cruise. Please ask at the time of booking. Unlike some other companies, we can promise that every last penny is shared between the crew who look after you.

WE TRAVEL RESPECTFULLY

We run smaller ships, so we travel lightly rather than overwhelm the beauty or local people of the destinations we visit. We are conscious of our environmental impact and align our operations to ensure we act responsibly; our improved engineering has significantly reduced our emissions. What's more, we have banned single-use plastics from all our ships. Minimising our environmental impact is a journey that never ends, we are always looking for greener ways to sail.

TRAVEL INSURANCE

Having appropriate cruise insurance cover is a requirement for booking your holiday with us. Knowing you have comprehensive cover means you can relax and concentrate on planning the rest of your holiday. To help, we've provided three top tips for organising your cover.

TIP ONE:

Ensure you have the right cover

To avoid any pitfalls it's best to ensure your cover is specific to cruise holidays. Also, declaring all pre-existing medical conditions to your insurer will reduce your potential for financial consequences.

TIP TWO:

Avoid potential loopholes

It is tempting to save money and opt for the cheapest holiday insurance. However, many policies have loopholes that will not provide cover for the exact circumstance in the claim. Be sure to investigate what's covered in your policy.

TIP THREE:

Purchase your cover early

We advise you to get insurance organised for your forthcoming cruise as soon as you have booked. This will give you peace of mind that you are covered and protect your non-refundable deposit.

At time of going to print, it is a mandatory requirement for all guests to have comprehensive travel insurance that covers for Covid-19 related costs. Your policy must include cover pre-departure in case you test positive for Covid-19 and are unable to board the vessel and have to travel home in a Covid safe car (Covid Cancellation & Curtailment Cover). In addition, the policy must include cover after departure to ensure that you are fully covered if you have to disembark the vessel at a port of call for medical treatment, isolation and travel back to your home (Covid Medical & Repatriation Cover).

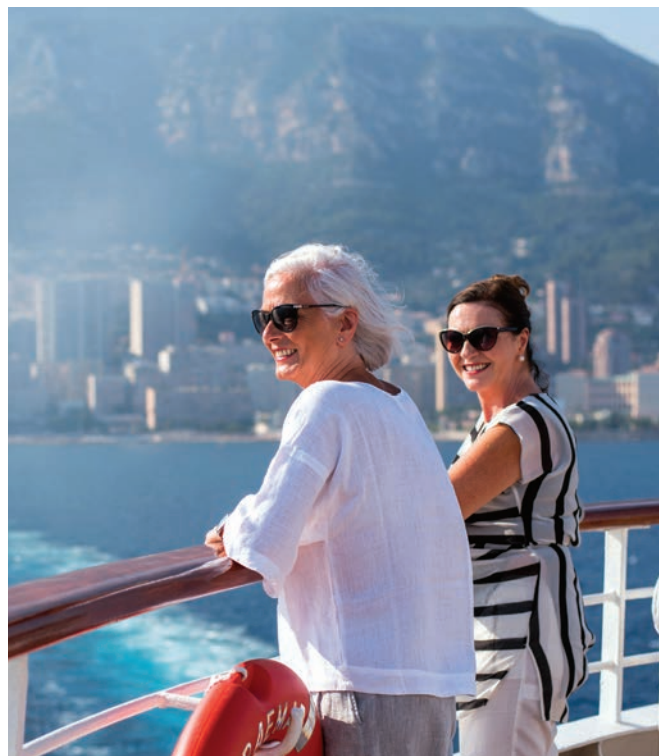

OUR RECOMMENDED SUPPLIER: HOLIDAY EXTRAS

We have found that – from many years of working together – Holiday Extras provide excellent insurance cover for Fred. Olsen guests.

If you would like a bespoke quote, call **0800 0420 218**, quoting 'FOBR1' or visit: holidayextras.co.uk/fred

VISAS

Visa and health requirements can change at any time. It is your own responsibility to ensure that you check with a professionally qualified source and comply with such requirements. UK passport holders will need visas for certain Fred. Olsen cruise holidays and will be advised at the time of booking. Your cruise booking information will also detail any requirements applicable to your holiday.

CIBT, Fred. Olsen's preferred visa provider, offer advice on specific visa requirements for your cruise holiday. For your convenience,

CIBT's online portal provides detailed visa information for specific cruises and visa application packs.

Visit, cibtvisas.co.uk/fredolsencruises or call **0207 593 6223** and quote 'Fred. Olsen Cruise Lines', ref 'FREDOLS'.

Similarly, travel vaccinations can be required when visiting some parts of the world. Your GP can offer advice, or you can contact the Medical Advisory Services for Travellers Abroad (MASTA). General travel advice is available from the UK Government at: gov.uk/foreign-travel-advice

IT'S EASY TO BOOK WITH FRED. OLSEN

Once you have chosen your cruise, you only need to take a few steps before you can begin looking forward to your holiday.

1. We need just a few details to confirm your booking

Your full name as it appears on your passport; date of birth; home address; e-mail address and contact telephone number are all details we will need when you book. Please also have this information for any guests travelling with you.

2. Don't forget your cruise insurance and to check if visas are needed

Please ensure you have appropriate cruise insurance cover; it's a mandatory requirement for sailing with us. Visas may be required for your chosen region. We've provided some helpful information for this on the opposite page.

3. Non-refundable deposit

All cruises are secured by a non-refundable deposit. This is typically set at 15% of the cruise cost (this varies when booking close to your departure date, and when booking cruises more than 27 nights in duration).

4. We will send confirmation straight away

There's a little more information we will require before you travel, such as your insurance, emergency contact details and passport details, and naturally final payment is needed ahead of your cruise. We will send details of this with your confirmation invoice as soon as you make your booking.

TERMS & CONDITIONS

Your booking with Fred. Olsen Cruise Lines will be accepted subject to the Terms and Conditions that are in force at the time that you make your booking. These are available on our website, www.fredolsencruises.com/legal/terms-and-conditions and on request. You must read them carefully and inform Fred. Olsen by email (foclcreditcontrol@fredolsen.co.uk) if you have any questions or doubts over your ability to fully comply with the conditions.
