The Tauck Difference on the Rivers of Europe

Distinctively Inclusive

If it means a better river cruise experience for your clients, we include it. In addition to guided shore excursions, exclusive experiences, special meals and tastings ashore, your clients will enjoy fine dining, complimentary all-day beverages, including wine and spirits, and a selection of snacks aboard ship. All gratuities are included too!

Uniquely Tauck

Destination inspired, Tauck's cultural discoveries and private experiences are unique to the places your clients explore with us, ensuring an authentic look at local life. Think nobility-hosted palace dinners, wine tastings at family-owned vineyards, early opening and after-hours visits to the Louvre, Giverny & more – Tauck guests only.

Fewer Guests Onboard & More Tauck Staff Onboard

Our custom riverboats are designed to offer the most space per guest on Europe's rivers. With just 84 to 98 guests on our smaller riverboats and no more than 130 guests aboard our larger ones, a dedicated, knowledgeable Tauck Director for every 35 guests plus a Tauck Cruise Director, your clients will enjoy thoughtful personal service.

The Perfect Choice

With cruises on the Rhine, Danube, Rhône, Seine and Douro rivers, and inland waterways in the Netherlands, each day brings a new destination and opportunity to discover it up close and personally. Your clients will have a choice of excursions that are perfectly paced to meet their interests for an enriching, personalized travel experience.
