Longest Australia-based World Cruise

Set sail across the globe on a truly epic adventure – a Princess® World Cruise. On a voyage spanning 110 nights, this six continent discovery on Coral Princess® visits 47 destinations in 32 countries.

Depart from Sydney, Brisbane or Auckland, and visit more countries than ever before. This exciting 2024 itinerary will travel 34,000 nautical miles and features access to 27 UNESCO World Heritage sites. Visit popular destinations and hidden gems across the world from Asia to South America. Or enjoy a liner voyage and sail to or from London (Dover) or New York.

Seven maiden visits

For the first time on a Princess World Cruise from Australia, you will have the opportunity to visit these spectacular cities – Crete (Heraklion) Greece; Corsica (Ajaccio) the fourth-largest island in the Mediterranean; Stockholm (Nynäshamn) the capital of Sweden; Århus, Denmark; Kristiansand, Norway; Edinburgh (South Queensferry), Scotland, and Bar Harbor for Acadia National Park in the USA.

Global cultures

You'll venture into some of the world's great cities renowned for their art, architecture,

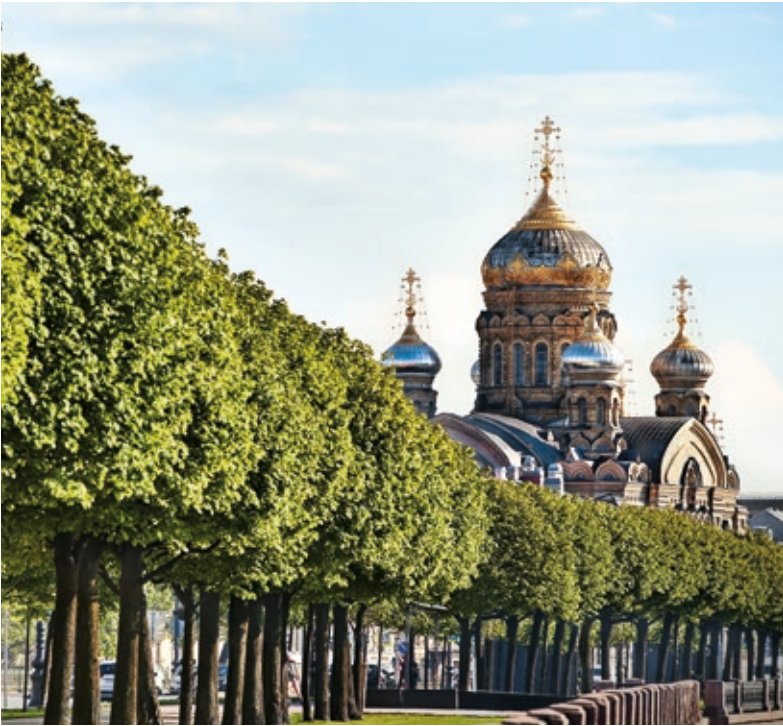

music and culture. You'll have time to immerse yourself in local traditions, historical landmarks and exotic flavours. Encounter some of the world's most revered sites and step ashore in lesser-known yet equally as fascinating locales.

UNESCO World Heritage Sites

On a shore excursion* discover the Old and New Towns of Edinburgh. The Lines and Geoglyphs of Nasca and Pampas de Jumana from the Chilean city of Pisco. Stand in awe as you witness The Colonies of Benevolence in Amsterdam, and discover the Rapa Nui National Park on Easter Island.

More Ashore

This journey is crafted to give you more opportunities to experience the history, culture and flavours of eight cities with our Late Night calls (9pm or later departures). Experience the local life by day, and enjoy the night life in such cities as Barcelona, Berlin (Warnemünde), Boston, Copenhagen and mesmerising Papeete (French Polynesia).
