ANNOUNCING OUR COASTAL CATS

Redefining U.S. Cruising

American Cruise Lines is very pleased to announce our brand new Coastal Cats, a fleet of catamaran-inspired small cruise ships for the 2023 season. At a capacity of just 109 guests, these ships and their corresponding itineraries will blend the best qualities of expedition adventure cruising with the refinement, luxury, and land proximity of river cruising.

Each Coastal Cat ship will feature modern décor and 56 spacious staterooms, most with private balconies. Observation and sitting areas will be available at the bow. A unique swim/activity platform on the stern of the ship provides kayaks and a tender for local exploration. The shallow draft of the vessels allows rare access into small ports and ability to travel on almost any river or waterway. With land never out of sight, these new ships are a practical alternative to ocean expeditions, providing more time to explore each port.

The first of 12 planned ships, *American Eagle* and *American Glory*, will debut along the East Coast. Studio DADO, the Miami based firm responsible for the interior designs of our newest American riverboats, will be back to tailor an onboard atmosphere that evokes a sense of pride and appreciation for U.S. history. The choice of color palettes, furnishings, and art work will reflect the culture of New England and the Southeast.

AMERICAN SERENADE

Our Newest American Riverboat

American Cruise Lines is pleased to announce the 6th in our American Riverboat series, *American Serenade*. The new ship will debut in the spring of 2023 along the Mighty Mississippi.

The new ship showcases contemporary interior design elements and sweeping views throughout, including an awe-inspiring, four-story glass atrium. Also featured are many spacious lounges, the largest staterooms in the industry, each with a private furnished balcony, and all the finest amenities available in cruising.

Unwind in a Grand Suite with up to 600 square feet of personal space

Savor each regionally inspired meal in our gracious open-seating dining room

Mingle with other guests during the complimentary cocktail hour held every evening

Visit the Ellipse Café for casual outdoor dining

Cancel for ANY reason - This plan provided by American Cruise Lines allows you to cancel for ANY reason and receive a money-back refund or the issuance of Cruise Credits beyond our standard cancellation terms.

Simplified Process - If the unexpected does occur, we offer an easy cancellation process that ensures you receive your money-back refund or are issued Cruise Credits quickly.

All-American: American Cruise Lines offers a unique experience that emphasizes the history and culture of the United States. American Cruise Lines is an American company and operates ships which are built and registered in the United States. Additionally, all crew members and employees are Americans.

Reservations: Reservations should be made as far in advance as possible to ensure the availability of the cruise and stateroom choice.

Fare: American Cruise Lines, Inc.'s per person fare includes passage, dining service, snacks, complimentary cocktail parties, and entertainment aboard the ship. Fares do not include most shore excursions (unless otherwise noted) or port charges and fees. Guests are not expected to leave a gratuity on board.

Shore Excursions: Every American Cruise Lines shore excursion falls into one of three categories: 1) FEATURED shore excursions are complimentary. Featured excursions are selected excursions which
