ANTARCTICA

NEW SUMMER 2024 THROUGH SPRING 2025 ON **SEABOURN VENTURE & SEABOURN PURSUIT**

Two new, ultra-luxury, purpose-built Seabourn expedition ships sail across remote seas Summer 2024 through Spring 2025, to create memories that last a lifetime. Designed for diverse environments, these state-of-the-art ships include two custom-built submarines, 24 Zodiacs and an onboard world-renowned Expedition team of academics, scientists, and naturalists.

Seabourn Pursuit highlights include extraordinary visits to Papua New Guinea, Indonesia, and the South Pacific from Chile to Melanesia. Plus, six 10-day voyages around the otherworldly Kimberley. Seabourn Venture returns to the small ports of the United Kingdom, Ireland, Norway, Greenland, Iceland and Arctic Canada on voyages from 10-to 35-days.
