The Olsen Way Highlights

Our team has planned your visit to India when the Holi Festival will be in full swing. You will find locals celebrating with the bonfires of Holika Dahan, followed by the throwing of the colourful powder, Gulal

There will be chances to see iconic sites influenced by religion, such as Israel's Holy Land, the Buddhist temples of Angkor Wat in Cambodia and the golden Shwedagon Pagoda in Yangon, and the Indian monuments of Mahabalipuram – created by the Pallava dynasty – and the Taj Mahal • In Egypt, you can delve into ancient history at the Pyramids of Giza and the Valley of the Kings • Learning about the world's longest reigning current monarch while in Brunei, visiting Gandhi's home in Mumbai, where he launched the Satyagraha movement, and uncovering Vietnam's wartime history on a tour of the Củ Chi tunnels make for insightful experiences. • Elsewhere, contrast the modernity of Singapore's cityscape with Myanmar's UNESCO-listed Bagan, the capital of the ancient Bagan kingdom

Visiting Sri Lanka gives you the opportunity to see endangered Sri Lankan elephants in Udawalawe Elephant Park, while in Kota Kinabalu, you can embark on a sunset river cruise along the Klias Wetland, home to proboscis monkeys and illuminated fireflies • As *Balmoral* cruises the Suez Canal, you can listen to an engaging commentary on the history and significance of this man-made waterway as part of our Scenic Discoveries programme
