REGIONAL HIGHLIGHTS

- Venture to the remote and remarkable country of Papua New Guinea, a unique destination that has remained virtually untouched by tourism.
- The Den Weg Islands are known for their ancient rock art, drawn on canyons, which are visible only by boat. The drawings were made using naturally red materials, resembling human blood.
- Warmly welcoming you to the natural wonders of the Great Barrier Reef, Cairns is a treasure trove of rich tropical beauty and incredible sea life. Swathes of rainforest spread out to the north, where you can soar over the canopy in a cable car.
- Thursday Island – TI to locals or Kawrareg in Waiben dialect – is the ultimate Aussie retreat. Grab a cold beer, find a spot on a wooden pub deck overlooking turquoise blue seas and contemplate the remote beauty of the island.
