Children up to 15 years of age travel free of charge on deck 1 when accompanied by at least one (two in Cat. G) supervising adult. From deck 2 onwards, children receive a 30 % discount. Furthermore, children up to 7 years of age accompanied by 2 supervising adults can use a sofa bed free of charge on the A-ROSA SENA in categories B - D. On the A-ROSA ALVA, children accompanied by at least one supervising adult receive a 30% discount across all cabin grades. The children's discount is only valid for the cruise itself. Limited availabilities on all cruises.

CHILDCARE DURING FAMILY CRUISES

Supervision of any accompanying children remains the responsibility of their parents on all cruises with A-ROSA Flussschiff GmbH. This also applies if A-ROSA Flussschiff GmbH provides any childcare services as part of their programme. These programmes are designed to provide entertainment for the children. As the A-ROSA Flussschiff GmbH riverboats do not have any enclosed spaces for the purposes of supervision, A-ROSA Flussschiff GmbH is unable to guarantee uninterrupted supervision of the children.

CHILDREN AT SPA-ROSA

Children may accompany their parents in SPA-ROSA. Any spa treatments for kids under 16 years old require the presence of an accompanying adult. The gym equipment may not be used by children younger than 16 years of age.

TRAVEL DOCUMENTS FOR CHILDREN

All children must have their own travel documents to cross borders into other countries, even when travelling to Schengen countries. In general, there is no passport control when crossing the border, but in some cases identity papers may be required. We recommend that you apply for your child's own travel document with your local passport authorities ahead of time.

CHILD CAR SEATS IN BUSESSES

In busses (over 3,5 t), there is no legal requirement to use a car seat. However, there must be a seat available for every child (regardless of age), and seat belts are compulsory. For safety reasons, we recommend that you bring your own infant/child safety seat, if your child can't yet sit on their own, so that you can secure your child with the lap seat belt.

LIMITATION OF LIABILITY

Parental supervision obligation/childcare: Supervision of any accompanying children remains the responsibility of their parents on all cruises with A-ROSA Flussschiff GmbH. This also applies if A-ROSA Flussschiff GmbH provides any childcare services as part of their programme. These programmes are designed to provide entertainment for the children. As the A-ROSA Flussschiff GmbH river cruise ships do not have any enclosed spaces for the purposes of supervision, A-ROSA Flussschiff GmbH is unable to guarantee uninterrupted supervision of the children.
