The Tauck Difference on Small Ship Cruising

Culturally Inspired

Destination focused, our culturally inspired cruises fuel your clients' imaginations with uniquely authentic experiences that capture the true essence of the places they are visiting. Our cruises to New England, Europe, Japan, and more, indulge their passion for personal discovery on a choice of included shore excursions with local experts.

Expeditionary Cruises

Designed for up-close exploration of wildlife-rich shores, our expeditionary cruises offer revelations of often unseen worlds. Your clients will cruise aboard ships at home in tropical waters or glacial seas, navigating exhilarating adventures by land and sea. Each expedition is guided by naturalists for enriching experiences.

Distinctively Inclusive

Everything your clients need to enjoy the best of land and sea is included on our small ship cruises. One up-front price includes the services of an expert Tauck Director, premier hotels, all shore excursions, fine dining, airport transfers, cultural experiences and more. Even luggage handling and gratuities are included for them!

Small is Big

Smaller ships mean bigger experiences onboard and ashore. At sea, intimate spaces invite warm camaraderie. The ambiance is casual and comfortable, the staterooms are spacious, dining is chef-inspired, and the service is personal and attentive. We cruise where big ships can't, with flexibility and freedom to enjoy carefree travel without crowds.
