

BLUE LAGOON
CRUISES

Cruising the
FIJI ISLANDS

VALID FOR
TRAVEL UNTIL
31ST MARCH

2024

Discover the joy of small ship cruising and take a journey through paradise, cruising the Mamanuca and Yasawa Islands of Fiji with Blue Lagoon Cruises. These idyllic islands lie off the western coast of Fiji's main island, Viti Levu and have some of the most striking scenery in Fiji. Feel the warmth of the Fijian people and be greeted with open arms and a bright Bula smile wherever you go.

THE BLUE LAGOON CRUISES EXPERIENCE

With over 70 years of experience cruising the islands of Fiji, we know all the best places to take you. Our onboard atmosphere is refreshingly informal and intimate with an all Fijian crew that takes pride in getting to know each and every guest. This cruise is all about the experiences both on and off the ship. We don't want our guests to just see these amazing islands but truly experience everything they have to offer. Each day there are unique activities and excursions included in your cruise, that will leave you with lifelong memories to treasure.

THE M.V. FIJI PRINCESS

The small size of Blue Lagoon Cruises' ship, M.V. Fiji Princess, helps make a cruise with us so special. Measuring 55 metres (179 feet), she can access bays and islands that would be impossible to reach in a larger ship, getting so close to shore that we tie off to a coconut tree and you can swim to the beach!

With just 32 cabins (a maximum of 64 guests and up to 30 Fijian crew) means we are able to cruise in an environment that minimises external risks and allows personalised service, ensuring your are well looked after. Our cruises are adults only (other than our limited family departures). The vessel's decor is fresh and nautical, with echoes of the romantic age of cruising gone by. You only need to unpack once and then let your floating hotel take you from idyllic place to idyllic experience – every day somewhere and something different. Visit traditional Fijian villages, swim in crystal-clear lagoons and gaze out on tropical vistas you thought only existed in the movies.

WHY CHOOSE TO CRUISE WITH US?

SMALL SHIP CRUISING

AUTHENTIC EXPERIENCE

Our 100% Fijian Crew know these islands like the back of their hands and help to make this trip an unforgettable one with optional local cooking lessons, Kava ceremonies, and singing. GETTING READY

Blue Lagoon Cruises cater for people of all ages and fitness levels, although you do have to be able to make your way up and down steep staircases. Getting in and out of the tender boats does require a certain degree of mobility, our crew will tailor the shore landings to suit and there's nothing wrong with staying on board for those that would prefer to relax and enjoy the scenery. On or off the ship, the Blue Lagoon Cruises team will ensure that you will have a truly memorable experience. The dress code is casual and informal, even at dinner. We encourage our guests to wear what they feel comfortable in and to leave their dinner jackets and high heels at home. For those wanting to visit villages, for cultural reasons, we do ask that men wear a sulu (provided in your cabin) and women dress modestly with shoulders and knees covered.

FAMILY CRUISING

A Blue Lagoon Cruise is a great option for a family holiday or a multi generational trip. Having everyone in the same place means you get to be together for meal times/ evenings but can go off and do activities that suit each age group during the day.

For most of the year, the minimum age onboard a Blue Lagoon Cruise is 14 years old however, we do offer 'family' cruise dates aligned with the New Zealand and Australian school holidays. See our rate sheet for cruise dates.

DONATING TO VINAKA FIJI

While travelling with Blue Lagoon Cruises you can make a difference to the lives of the Yasawa Island villages by donating to Yasawa Trust Foundation. Vinaka Fiji receives funding through its volunteer programmes and its major sponsors but is also heavily reliant on monetary donations from kind-hearted individuals, organisations and groups.

Donations are used to facilitate the Vinaka Fiji mission and purchase materials and resources required to make things such as water catchment, sanitation and sustainability projects possible.

Blue Lagoon Cruises proudly sponsors and supports Vinaka Fiji and the excellent work it does in the villages of the Yasawa Islands. Blue Lagoon Cruises invites guests to join them in supporting Vinaka Fiji by allowing a donation that will be automatically added to their account at the end of their cruise to remain. Guests will have the chance to decline it or alter the amount.

The donation amounts that will be shown will be FJD\$100 per cabin for 3 & 4-night cruise guests and FJD\$150 per cabin for 7-night cruise guests.
