Dear UnCruise Family,

Thank you for being with us through so much over these recent years. I want to take a moment to express my gratitude for your continued support and for choosing UnCruise Adventures as your preferred travel partner. Over the past 25 years, we have shared countless unforgettable experiences and memories together, and I am honored to have been a part of them.

As we navigate the ever-changing travel landscape, I am proud to say that we have not only survived but thrived during these challenging times. Our commitment to small ship, small group, and small footprint travel has allowed us to continue offering unique and authentic adventures to our guests. We have also taken advantage of this opportunity to make improvements. Including adding new destinations and itineraries to our adventure collection, refurbishing our vessels, and investing in new technologies to enhance the guest experience. We are more nimble and diversified than ever before and as we progress we've seen features in local, national and international press and have been recognized as one the best adventure cruise lines.

In addition over the past couple of years, we've rechristened one of our beloved boats with a new name, the Wilderness Legacy, have refurbished three of our vessels, partnered with new industry names for co-marketing and focused on top level training and safety for guests and crew. We've also seen my long term business partner and colleague, Mr. Tim Jacox retire in May 2020 and have pivoted with our executive team, promoting long time team members to join me in steering the vision of the company.

UnCruise Adventures small boat, small group, small footprint leadership has led the industry since 1996. In 2021 we celebrated our 25th anniversary bringing us into a new era and I can't help but be excited about the growth and possibilities in a re-imagined world of adventure travel moving forward. As we move into the future, I am committed to staying true to our core values and our company culture. We will continue to support our communities, our planet, and each other, and remain focused on sustainable and responsible travel. We set ourselves apart with every itinerary and when they have artificial shows, we have natural wonders. When they have endless crowds, we have endless vistas. Choose to UnCruise. Our focus on UnTourism and remote adventures leads the way for the next generation of UnCruisers. One that creates conscious adventurers.

I am living the dream I envisioned so many years ago, and I am grateful to have you all along for the ride. Over and out for now, UnCruisers. I can't wait to see you onboard.

Captain Dan Blanchard
Owner and CEO

Our Commitment

Small is big these days, but being small is who we are. In 2021, we celebrated 25 years of discoveries. As a small American business, and the top, award winning small boat cruise line for adventure, we know that flexibility is the ticket to big experiences. That's why within our routes we're ready to turn, pause, and seize opportunity. Linger for whale sprays or a lesson in net fishing. Good day for a beach party on a deserted island? Why not! Our commitment to going places and doing things others can't—and our exceptional crew... and food... and creating a safe environment—sets us apart.

Our mission: *To provide enriching adventure travel experiences that inspire an appreciation of local cultures and the natural world.*

We also recognize the importance of being a good citizen—having respect for the environment and one another. At UnCruise Adventures, we don't just talk the talk. Be good to each other. Get a little better every day. Make different mistakes. Do the right thing. These are the core values that guide us whether we are out in the field or working magic behind the scenes.

Access by small boat (86 guests, tops) enables you to wrap yourself in the adventure. With a near obsession about being accommodating, we make it easy to try something new. No hidden costs, either, so you can focus on what's important. From photos of your trip to excursions, presentations, and yes, food and beverages (alcohol too), it's all covered in the fare.

“Being on a small ship with great friends (new) and being the ONLY ship or vessel of any kind around us. ...Unforgettable.”

Diane N; Port Angeles, WA (Alaska)

First in Adventure

Hearty, active adventures are rooted in our core. So is watching for wildlife, time spent with locals, and digging into the culture and history of the places you visit. You might be snorkeling with dozens of sea turtles in the morning and joining a cultural ambassador like Danny Akaka to talk story in the afternoon.

The spirit of the islands—in all our destinations—is alive and well. In Baja, the Romero family has been leading mule rides across Bahia Agua Verde for generations. Saddle up, sit tight, and wind your way through desert, beach, and a green oasis. On Molokai, the Pilipo Family welcomes you to the Halawa Valley where they farm, hunt, and fish. Sidle up to a park ranger in Alaska or visit Panamá's historic Coiba National Park. These are some of the people and pulse of a place.

The spirit of adventure soars. Each night your expedition team lays out the choices for the next day: hiking, beachcombing, kayaking, skiffing, paddle boarding, and snorkeling are all possibilities. Place your adventure order. From slow beachcombing to hard-charging hikes, there's something for everyone. And with small group excursions (usually a dozen or so guests) it's easy to chat up your guides and pause for pictures and reflection.

"Can't praise the all inclusive small boat experience with UnCruise Adventures enough - 2 epic outdoor adventures each day with knowledgeable and personable guides buffered by gourmet chef prepared meals and open bar."

Steven L. (Alaska)

Snapshot: Yay to a day of play.

Come Play

Hikes

Ascend a desert ridge in Baja or Galápagos. Tackle a switchback in the Pacific Northwest. Delve into Costa Rican jungle and sniff out a jaguar trail in Belize. Or meet the Alaskan bushwhack: a wild and woolly trek over logs and through brush. From an intertidal shore walk or stroll in town to an hours-long summit, hikes are as hard-charging or as slow-paced as you like. It's up to you. We have hiking poles so you can head out with confidence.

Kayaking & paddle boarding

From guided Kayaking 101 to an afternoon open paddle, settle in and explore. While open paddling is offered, most kayak outings are guided. In Alaska, challenge yourself to a yak-n-whack: a kayak and bushwhack all-day land and water excursion and UnCruise original. Paddle boards are also available in most destinations. If the water's calm, keep your eyes on the horizon and give it a go.

Skiff rides

Let our drivers shuttle you to shore for another excursion or power up and head around the bend to get a better look at sea otters cracking open a shell, iguanas on the move, or birds soaring above the treetops. Climb in, binoculars ready. The skiff's the thing for covering serious ground with little effort.

Snorkeling & polar plunges

Immersive in every way and—like all our excursions—snorkeling ranges from intro lessons along shore to deep water jump and go. Noodles are provided if needed, and wet suits are also available in some destinations. For those seeking an extra thrill, try Alaska's polar plunge—a leap off the fantail and a fun, frigid experience. Chances are you'll watch your captain jump in too.

Unparalleled Value

From your very first inquiry, expect personalized service and expertise—and a host of benefits that make us unique.

Backstage pass	Small group travel—from the boat itself to groups of a dozen or so afield—puts you in on the action (not watching from afar), with <i>AHA!</i> and “I-can’t-believe-I-just-did-that” moments around every corner.
Expert guides	Seriously—they’re aces. Our guides have vast and deep experience, plus an impressive collection of advanced degrees in curiosity-piquing subjects from whales to fungi to geology. Their enthusiasm is intoxicating.
Home away from home	Boats are comfortable, welcoming, and unique in style and personality. All are adventure-ready for gearing up, kicking back, and mixing and mingling.
Adventure for all	Kayak or paddle board. Snorkel or skiff. Beach stroll, hike, or mountain goat climb. There are plenty of options and equipment for everyone to join in the fun.
Active as you like it	Do as much or as little as you like. On top of the daily activities, ease into the day with sunrise stretches on the top deck. There’s exercise equipment at the ready, anytime. Or just watch the landscape go by.
Fresh, hand-crafted cuisine	You didn’t know it would be this good. Chefs (including pastry chefs) impress, meal after meal, with locally sourced ingredients and swoon-worthy baked-onboard desserts and breads.
Cheers to that!	An astounding array of beverage options, both non-alcoholic and alcoholic (signature cocktails every night!), mean you’re never far from a toast. And it’s all included.
Zero hidden costs	What most defines your trip is included in the fare—excursions, adventure equipment, transfers, and baggage handling. Put your wallet away (until it’s time to recognize your topnotch crew).
Accommodating... and then some	Dietary restrictions? Special occasion? Need a little extra help on a hike? It’s our business to make sure your adventure not only matches your needs and expectations but surpasses them. Just ask and we’ll do our best!
The ineffable spirit of adventure	We’re all in the same boat. Crew and guests alike, wide-eyed with wonder and childlike curiosity—and it shows. The excitement. Collective energy. Laughs and camaraderie throughout your adventure.

Your Crew

The best of the best, experts in the industry, and just plain fun. Your onboard team includes the captain, mates, engineers, chefs, expedition guides, and hotel, galley and deck staff. Each team member is hand-picked for their astounding knowledge, experience, customer service, and safety skills—plus their “can do” attitude and genuine spirit. They undergo training in areas such as leadership, CPR, wilderness response, safety, guest services, and “Leave No Trace” practices. They’ve got you covered.

But it’s more than that. Crew knows your name, quickly learns your activity style, and even your drink order. When trying something new, they’ll hold your hand (with sanitizer) until you get the knack. Guides are trained to protect you from wild things, and they’re full of facts and eager to share. So fire off your questions about the funny-looking bird. Sit in on an after-dinner talk about glaciology or whale migration. And don’t be shy about asking for what you need in your cabin or with your meal. Requests are happily met with a “let me see what I can do.”

It’s crew’s unique talents, love of travel, and a deep respect and appreciation for the places we visit that shape your adventures. Trust us—you’ll be raving, too.

“You have terrific staff with amazing knowledge. They are talented and good storytellers—your staff all around enhanced my experience—from housekeeping, restaurant, bar, guides and boat captains, they all excel in what they do.”

Caroline B; New Brighton, MN (Alaska)

Safe & Sound

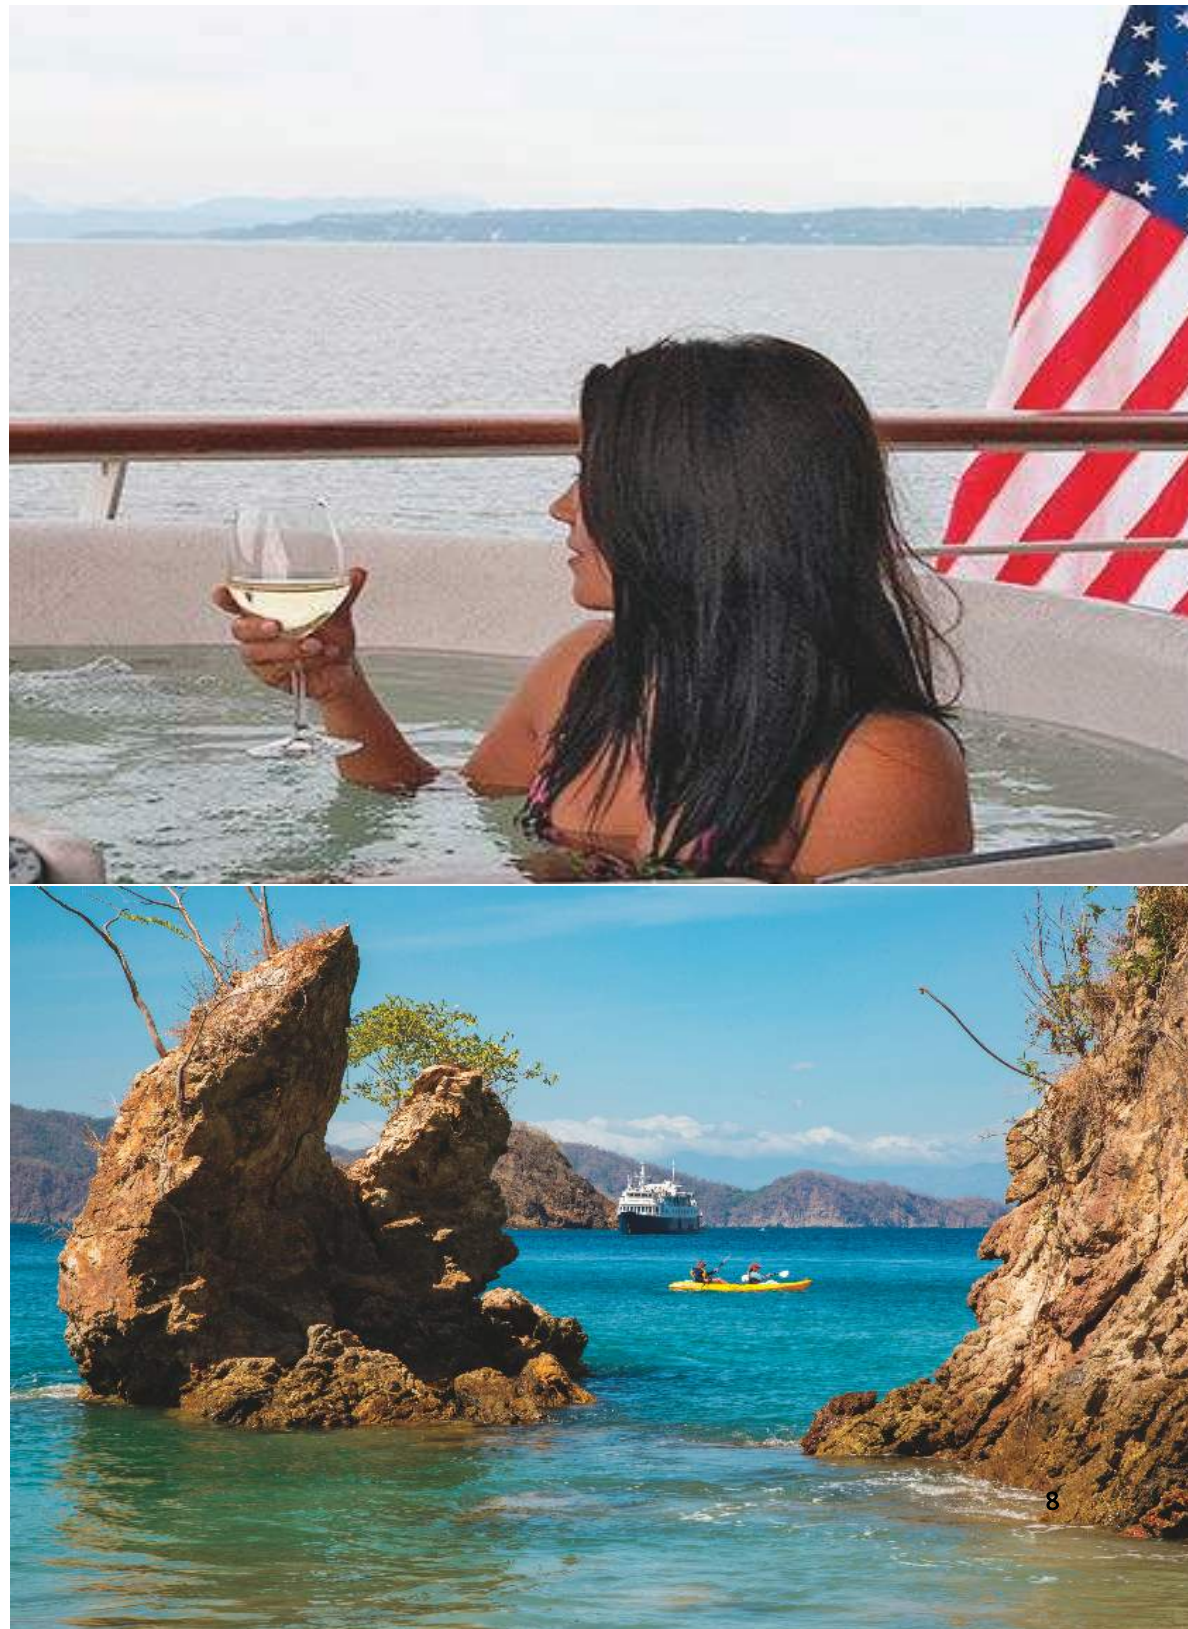

It's a safe environment. Your own bubble in the wild. And we'll do our darndest to keep it that way. Prior to getting on board an UnCruise, precautions are taken to ensure guests and crew alike arrive healthy and the risk of spreading a bug is minimized during your cruise. Crew members are fastidious about cleaning and safety protocols with our dedication to health and well being protocols. Your captain and crew even conduct safety drills and demonstrate the best maneuvers that'll have you as surefooted as a goat.

The beauty of small boats (one of many) is you travel in small groups. No queuing up hoping to get in on the action or FOMO. There is room for everybody no matter how you choose to spend your time. Kicked back or go, go, go. Presentations from your expedition team can happen outside on deck or in the lounge. And on most boats, you can even listen in from your cabin. Questions about the wildlife? Just ask (or, seek your answer in the onboard library). Want to up your knot tying skills? Grab a rope and head to the deck. Meet your new BFF? It's likely. Life on board really does create bonds.

Life on board is relaxing, too. From the cozy *Safari Quest* to big sister *Wilderness Legacy*, every boat creates community and the atmosphere is casual and intimate. Share a laugh and cocktail in the lounge with your new adventure community. Chat up your captain and mates on the open bridge. Watch for wildlife or take a quiet moment on the bow. There is something for everyone, from ages 8 - 88 and on.

"I am, each time, very impressed by your work, health, and safety standards and practices for both guests and staff alike. ...Very enjoyable, relaxing, and safe, from the captain down! Cheers!"

Sara S; Crafers West, Australia (Mexico)

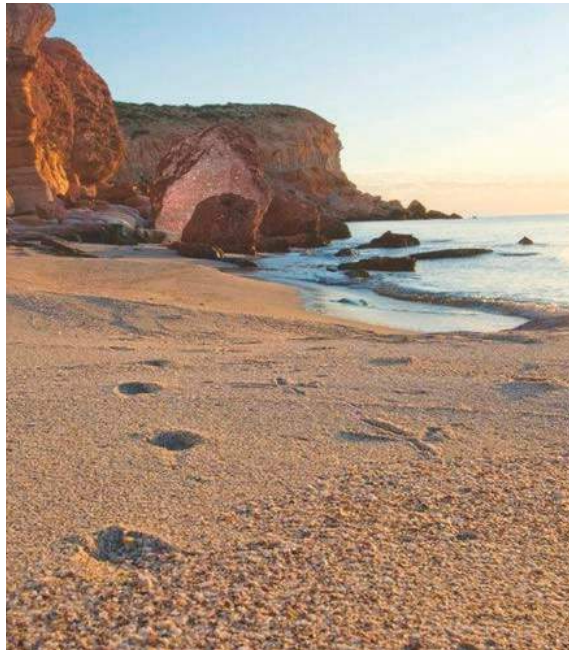

Sustainability

For over 25 years, we've delivered experiences that enable us to make a difference. These encounters leave a lasting impact and, we hope, encourage our guests to care more about protecting the environment the way we do.

We've implemented responsible practices to lessen our footprint. Replacing engines for more efficient models, eliminating single-use water bottles by offering refillable bottles instead, providing reef-safe sunscreen, and removing trash left by others. Sometimes it's not good enough to leave a place the way we found it. Leave no trace, ours or otherwise — that's our intention, wherever we travel.

At UnCruise Adventures, we evaluate our actions every step of the way. From itinerary planning and operations management to adhering to codes of conduct that protect wildlife like the Marine Mammal Protection Act and NOAA Humpback Whale Approach Regulations. And, we work with partners like the Monterey Bay Aquarium Seafood Watch Program to ensure best practices.

Our adventures also impact local communities. From sourcing fresh ingredients from local farmers and fishermen, to partnering with native groups for cultural exchanges, we look for ways to share the wealth and support the lives of those we meet. At our core all team members believe we are stewards of the lands where we travel. "Take only photographs, leave only footprints, make unforgettable memories." You can download our sustainability protocols on our press page and view our local and sustainable partnerships that are making a difference for our company, our crew and the communities we work in. Find more about our sustainability promise on our press page.

"Greatly appreciated the focus on environmentally friendly practices. H2O bottles, cleaning products, paper straws, etc. mean a great deal to us. The care and compassion shared by all staff with our family was utterly extraordinary."

Marc C; San Diego, CA (Costa Rica Panamá)

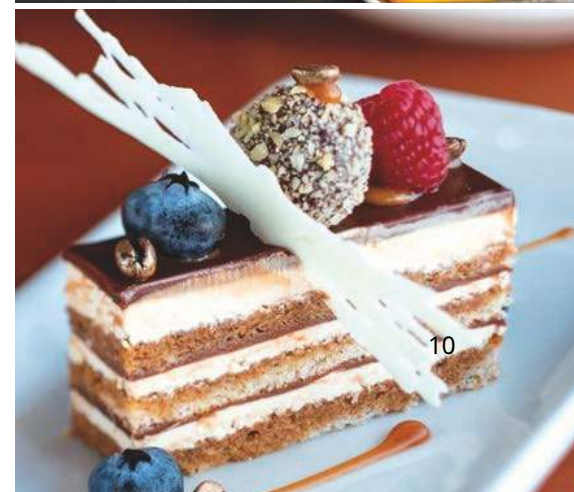

Local. Fresh. Inspired.

Taste where you travel. Along the Sea of Cortés, a dedicated plot of land supplies your boat with the brightest beets and a rainbow of carrots. In Hawaii, a small organic Molokai farm grows your purple sweet potato—then it's roasted with chimichurri sauce—and their pineapple, topped with mascarpone ice cream and a banana bread crumble. Yum. In Costa Rica, locally grown plantains, patacones, are sliced and fried for a tasty treat. Further north in Alaska, a micro-grower out of Juneau provides greens with a sweetness and spiciness that makes what's on your plate pop. Small greens, BIG flavors.

In the water yesterday, and in the galley today, we believe in keeping it fresh and sourced from the best local partners in our communities. At sea in our tropical destinations, red snapper and seabass are hand caught by local fishermen—one line, one hook, and live bait. Fish caught within miles of where you sail. Shift your latitude, and Alaska's Icy Strait provides sustainable seafood caught by generations of locals. As the first cruise line ever to participate in the Monterey Bay Aquarium Seafood Watch Program, we're proud to be a sustaining partner serving only seafood they list as a "Best Choice" or "Good Alternative" aboard our vessels.

Our "local" means relationships with local families and small-scale fishermen that support the community. Good for our land and oceans, as well our chefs who prepare it—and good for you, too. Inspiration is from our hearts: ocean-friendly, field to table, and baked-onboard breads and desserts with the pastry chef's personal flair. Sample the region and taste the love.

Follow us on YouTube for more local, fresh, inspired videos and travel inspiration.

On the Menu

Big days and full bellies. Early-riser breakfast in the lounge? Of course. Or, head to the dining room for the full deal. Lunches and dinners are created with thoughtfulness given to the region, weather, and activities: a glacier skiff ride and a hot bowl of soup, or a sun-blanketed hike paired with a cooling gazpacho. And sweet treats like chocolate opera cake, decadent chocolates and sweet cakes are whipped up for you twice a day.

Unless there's a special barbecue or lunch on shore, most dinners are served over several courses. You'll be constantly amazed at what our chefs prepare in a tiny galley but you can always count on options. All meals offer a choice of seafood, meat, and vegetarian dishes. Celebrating a special occasion on board? Let us know when you book. Our expert pastry chefs are happy to help you commemorate the day.

— Sample Breakfast Menu —

Avocado toast topped with pesto, grilled tomato, poached eggs & red pepper sabayon. Prosciutto, asparagus & goat cheese omelet. Banana pecan pancakes. Roasted sweet potato. Sausage, bacon & ham or fresh baked pastries.

— Sample Dinner Menu —

Field greens with fresh berries, goat cheese, crispy almonds & roasted shallot vinaigrette

Baked-on-board rosemary focaccia finished with caramelized onions & extra virgin olive oil

Seared Alaskan sockeye salmon with glazed fennel, lentils, roasted cauliflower & lemon crème fraîche

— or —

Roasted beef tenderloin with roasted fingerlings, asparagus, red onion jam & shallot demi-glace

— or —

Summer squash and tomato Napoleon layered with boursin & pomegranate balsamico

Caramel chocolate ganache tart with orange segments, salted pistachios & sage whipped cream

Spirit of the Bar

The ship's lounge quickly becomes your local—familiar faces and local beverages. Sample a beer from a regional brewer or our other rotating taps. Taste your way through cask wines like Washington and Oregon varietals. No matter the style of the bar—from the *Wilderness Discoverer's* beautiful bar top carved from Alaskan cedar to *La Pinta's* elegant Sky Lounge—each lounge has its own vibe. And its own expert bartender.

Classic cocktails come with inventive twists, innovative tiki drinks showcase fresh fruit juices, and gin and vodka from our favorite Juneau distillery make for endless experimentations. Yup, even the drinks are local, right down to the blackberry liquor and house-made mixers.

Bartenders are happy to shake up (or stir) your requests, but what they really love to do is learn what you like and impress. Inspiration for the cocktail of the day comes from your adventures. Top off a bushwhack with a bramble cocktail, toast with your kayaking buddy to an afternoon well spent, or try out a local rum with your dinner companion. Pick your pleasure and cheers to adventure: all beverages are included in the fare. May every sip be flavorful and filled with stories to share!

“OMG. We are happy foodies. Nice wine selection, love the local influence and applied creativity in the bar.”

Jeanine R; Ft. Knox, KY (Alaska)

Family Discoveries

When his kids were young, UnCruise CEO, Captain Dan Blanchard sailed with his family from the western shores of the USA to Australia and beyond. Understanding the value of exceptional travel experiences, UnCruise Adventures shares those same ideals. Embrace your family's curiosity. Kayak with the kids and grandparents, taste wild blueberries on a hike, and learn about cultures from village elders. We make it easy for families to adventure together with options to accommodate triples in higher cabin categories on six of our vessels.

Solo Travel

Introspection and easy connections. Traveling solo means all the alone time, curling up with a good book, and reflection you crave with the bonus of being surrounded by like-minded explorers. Like “summer camp for adults!” some say, and we agree.

The logistics are planned, but beyond that it’s up to you what to do. Guides and crew know you by name and it’s not long before you and your shipmates are on a first-name basis. Be ready for discovery, connection, and laughter—meeting fellow adventurers over shared experiences.

Making Solo Travel Better:

Friendly rates (you don’t pay double!)

Safe, comfortable environment

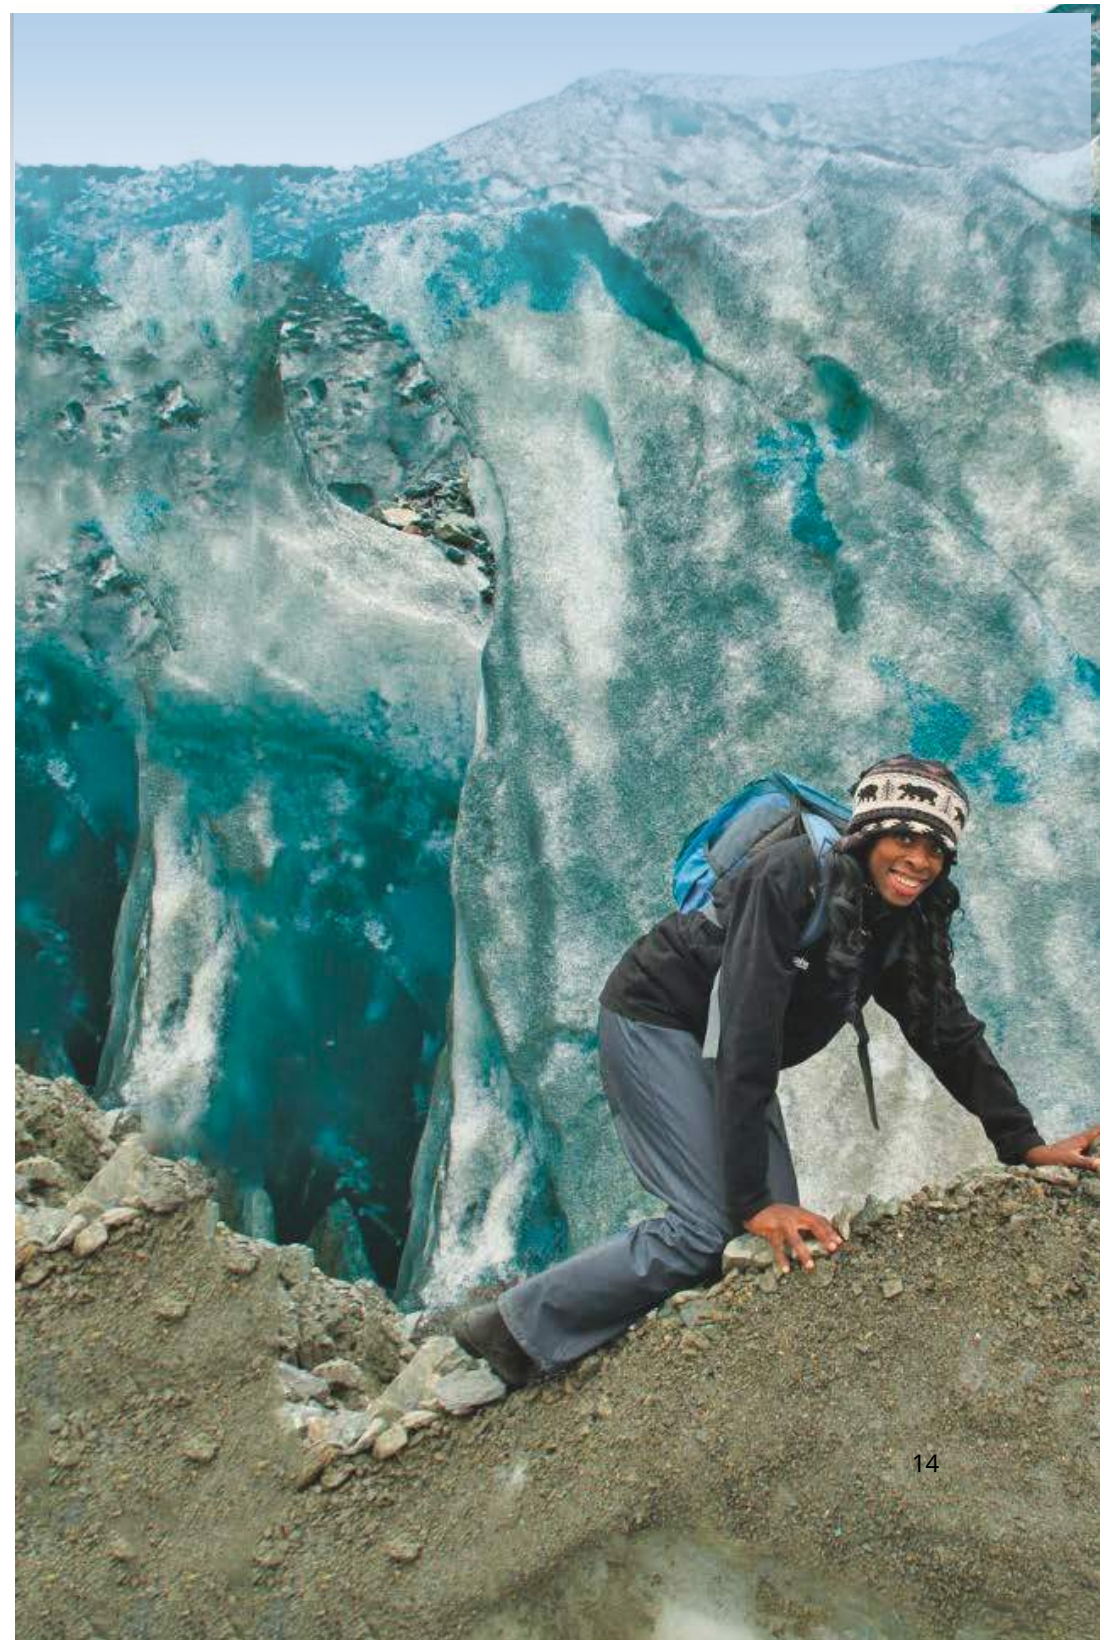

Buddy system during adventure activities—snorkeling, kayaking, hiking

Time for beach walks, stargazing, and hikes in small groups

Freedom to find quiet solitude, or the company of others, when you want it

“I was coming as a single and wondered if I’d fit in, could I keep up, etc. But these concerns vanished immediately. The atmosphere on board is relaxed and warm.”

Lynn S., Madison, WI (Alaska)

There's nothing like the exclusivity of a private charter. All the details—activities, amenities, and provisions—are arranged with your special requests in mind. Alaska

As the morning mist rises, climb in a skiff and head for the glacier. Feel the chill winding through icebergs, like tiny frozen islands. Curious seals bob their heads and sea lions flash their telltale pointy ears letting you know you're on track—chasing a wall of ice back in time. Your skiff's "ooohs" and "aahs" at these "Alaska natives" get bigger, when there's the biggest "ah" of all: Dawes Glacier. With a thunderous crack, ice crashes down.

Grab your gear and suit up. Rain or shine, it's time to live life on the outside. From skiff and beachcomb to bushwhack and kayak, Alaska's expansive landscape is where it all began for UnCruise Adventures. Yet we've never lost our fascination for this wild place. We still gasp at the greatness of Glacier Bay National Park. You will too. And with remote adventures, there are even more places to be found. We launch kayaks, skiffs, and paddle boards right from our vessels. Paddle in a tiny cove or pull on your rubber boots and head to the forest. Chattering seabirds, and pure curiosity, lead the way.

Alaska is the perfect bucket list place for families, groups, couples, and solo travelers to create adventure. Our small group sailings take you places others can't. Join us for early Spring adventures that go beyond expectation with Alaska Awakening April to mid-May. Discover dancing Northern Lights, awakening wildlife, and winter playgrounds in remote locations. We create unparalleled value. From your very first inquiry, expect personalized service and expertise—and host of benefits that make us unique. Think big by cruising small.

Tip! Bring your rubber boots, you'll need them! Muskeg, streams, and glacial mudflats are everywhere in Alaska—and a lot of fun. But don't worry, we also have boots on board for you!

"Kayaking in ice fields by a glacier... Being on a small ship with great friends (new) and being the ONLY ship or vessel of any kind around us. ...Unforgettable."

Baja Sur, Mexico's Sea of Cortés

Proudly arching their backs, noses in the air, the sea lions are ready to play. Get in your snorkeling gear as they join you. Baja's friendly locals spin, swirl, and twirl right alongside you. Watch them plunge to the sea floor and come up with big eyes. You may even get flipper nipped. It's all in good fun.

Playtime is key in Mexico's Sea of Cortés. Snorkeling with sea lions is often a highlight, but the dolphins, starfish, and butterfly fish certainly don't disappoint. And when it's beach party day, lounge in the sand or grab a paddle board. On land it's up the ridge you go. By mule or on foot, the landscape shifts from desert, to beach, to sea, and back again. Take a hike lined with cardon, cholla, and pitaya cacti with a pop of a red prickly poppy. Iguanas on land and blue-footed boobies above, your adventure buddies are all around.

Tip!

Along with your beachy flip flops, pack hiking shoes or sneakers with sturdy tread for view-filled treks along the ridges, and arroyos.

Galápagos Islands

Dozens and dozens of three-foot-long iguanas pile up like sandbags. Watch your step. Wildlife in the Galápagos isn't afraid to walk—or lie—around. And because these animals don't encounter predators, they're not afraid to get up close to you. Iguanas plop down on pathways and tortoises are in no hurry to get out of the way.

The Galápagos Islands belong to the animals. From millions of years ago to now, each island is filled with discoveries and its own endemic species. Visit the Charles Darwin Research Station for an inside peek at the conservation efforts of the giant tortoise. On Isla Floreana, paddle board alongside sea lions or stroll the white sand beaches as rays relax on the sea floor. Snorkel or kayak along Isla Isabela's dramatic landscape of eroded tuff cones. Health and Disability Requirements

Guests must notify us in writing at the time of booking of any physical or mental illness, disability or other conditions for which special accommodations or the use of a wheelchair is necessary or contemplated. We must also be notified of any medical treatment that may render the guest unfit for travel or constitute a risk or danger to the guest or anyone else on board. Guests needing any form of assistance and those who are physically disabled must be accompanied by someone who takes full responsibility for any needed assistance during the cruise and in the event of an emergency. We reserve the right to refuse passage to anyone who, in our sole opinion, may affect the health, safety, or enjoyment of other guests.

Guests requiring a wheelchair must provide their own collapsible wheelchair. Some ports of call, shore excursions, docks, gangways, and other ship requirements may preclude a wheelchair guest from leaving the vessel; this decision will be made by the captain and is binding. Additionally, there may be certain physical conditions, including raised doorway thresholds from 2 to 16 inches, stairways, and narrow passageways within the vessel that may limit or preclude the accessibility of wheelchair guests to some areas. Due to the limitations of vessel facilities, bookings cannot be accepted for women who will be 30 or more weeks pregnant at the conclusion of travel. Women in their third trimester (greater than 24 weeks, but less than 30 weeks) must submit a letter from their physician granting permission to travel by boat (and for air travel, if applicable).
