Every cruise with AMADEUS is designed so that you can experience the “best of” the countries and regions you visit, with the longest possible layovers in your itinerary’s ports. Our excursion programs allow you to decide for yourself how intimately you’d like to know a destination. Follow your heart and indulge your curiosity by finding out what’s over the horizon or around the next bend in the river.

TRAVEL YOUR WAY

You can choose to book individual excursions on board or, more conveniently, you can book discounted excursion packages in advance. Should you wish to make a last-minute excursion reservation on board, our cruise directors are always happy to assist. In addition, enjoy exclusive on-site tastings, engrossing onboard lectures and local tips.

Our Commitment to Being Green

For over 40 years, we have been cruising the most beautiful regions along European rivers and, from the very beginning, our special way of traveling has been rooted in a great respect for nature, culture and the people we meet along the way. From the launch of the first AMADEUS ship, we not only met environmental protection standards but also set new ones. This has remained the case to this day and, as a family business, sustainability is more than just a buzzword for us—it is fundamental to our core values.

REDUCED CARBON EMISSIONS

The new generation of AMADEUS ships have innovative engines that effectively reduce overall fuel consumption. Our Fleet Controlling System allows our engines to run as efficiently as possible and ensures that our ships travel at the speed that consumes the least fuel.

ENERGY-EFFICIENT TECHNOLOGY

When we are in port, we connect our ships to the on-site energy grid via Powerlock whenever possible. This allows us to reduce noise and dirt in the surrounding cities. This also applies to the winter period, when we prepare our fleet for the new season. On board, we utilize the newest generation of energy-efficient technology to lower power consumption across the board.

ECO-FRIENDLY WATER TREATMENT

Naturally, we have a special connection with water—that's why it's so important to us to keep it clean. Using membrane technology, our filtration plants use microfiltration systems and recycle all

the water we use on board. In addition, we make sure to use as little water as possible. For example, we use vacuum toilets to minimize water consumption. We also encourage passengers to reuse towels as often as possible.

LESS PLASTIC, MORE RECYCLING

We don't believe in single-use plastic. You'll find soap and shampoo dispensers in every bathroom and glass water bottles on every cabin table. In the near future, we will also introduce Tetra Pak water containers for every excursion.

With our modern waste management system, we ensure that much of what we dispose of becomes valuable raw material, ready to be repurposed.

ENVIRONMENTAL CERTIFICATION

The AMADEUS fleet is certified with the prestigious *Green Award* – a recognition of our industry-leading performance in safety and environmental standards.

THE AMADEUS NOVA: NEW STANDARDS IN SUSTAINABILITY

Our newest ship underscores our commitment to a green future for river cruising. The *AMADEUS Nova* has a hybrid diesel-electric drive and a powerful battery that covers engine power peaks. The sophisticated, cutting-edge technology of the engines not only reduces emissions significantly but also almost completely eliminates air pollutants thanks to specially developed filters and catalytic converters. Solar panels feed electrical energy into the ship's power circuit. In addition, it features our tried-and-tested, future-oriented Fleet Controlling System and a powerful heat recovery system. At the same time, we have also redefined comfort on board, offering more space, luxury and modern design.

Amsterdam's city center is crisscrossed by small canals

Your day program Cruise Amsterdam – Nuremberg

DAY 1 | NETHERLANDS: AMSTERDAM

Historic Amsterdam, the famous capital of the Netherlands, is the starting point of your European cruise. After embarkation, enjoy a Welcome Cocktail and savor fabulous dishes at the Welcome Dinner. At the end of the day a rousing performance by a traditional shanty choir completes the experience.

DAY 2 | AMSTERDAM · UTRECHT

In the morning, enjoy a cruise along the famous Amsterdam canals, followed by a trip to the beautiful Waterland region with historic fishing villages and peaceful countryside. Waterland is the ‘wet back garden of Amsterdam’. This rural area has a truly ancient Dutch landscape: perfectly flat, with old ‘polders’, lush green pastures, winding dikes and working windmills. Rejoin your ship in Utrecht for lunch.

DAY 3 | GERMANY: COLOGNE

In the morning, discover the highlights of Cologne on the guided city tour. End with a glass of typical Kölsch, a famed Rhineland beer. After lunch, nature enthusiasts may wish to partake in the excursion to the Sieben-gebirge National Park, Germany’s first nature reserve, and Drachenfels castle ruins. With the Rhine sprawling below in all its splendor, the views from the top of the castle ruins are stunning. After an exciting day, return to the vessel to continue south along the river.

“We loved the traditional shanty singers on board in Amsterdam. Such a fun way of learning about the Dutch maritime history.”

Nick & Helen A.

DAY 4 | RÜDESHEIM

The morning starts on a high note with the passage of the Lorelei in the mythenshrouded Upper Middle Rhine Valley. At lunchtime, the vessel arrives in Rüdesheim, a picturesque wine-making town in the Rhine Gorge where the river landscape has enchanted visitors for centuries, and is protected by UNESCO since 2002. Discover the region’s rich history on a walking tour and admire the magical collection of instruments at the Music Cabinet Museum. Or take, instead, a tram ride through the vineyards of Rüdesheim on the “Wine Express”, enjoy some fine wine

of the region and stroll along the famous quaint “Drosselgasse”, a 144 m (472 ft) cobbled street lined with timber-framed buildings and many traditional restaurants.

DAY 5 | MILTENBERG · WERTHEIM

After a tranquil morning on board, join the afternoon excursion to Miltenberg and Wertheim. Miltenberg, the „Pearl of the Main River”, is a town flanked by the river Main with an incredible, forested hillside, and features Miltenberg castle and one of the oldest inns in Germany, the Hotel “Zum Riesen”. Continue to Wertheim and explore the medieval streets with their half-timbered houses and the unique glass museum, that invites visitors on a tour of the 3,000 year

Half-timbered romanticism in Miltenberg am Main

history of glass. This evening, join your new friends for another memorable meal as the ship plies the waters towards our next stop.

DAY 6 | WÜRZBURG

Today, visit Würzburg, a city in Bavaria known for lavish architecture, located in the center of the Franconian wine country. In the morning, experience the sights of the town as well as the Baroque Residence palace. The tour concludes with wine tasting in the ancient wine cellar of a local vineyard. As an alternate excursion, join the trip to the most romantic medieval town Rothenburg ob der Tauber, whose 42 towers, six awesome city gates, stone walls, and half-timbered gables have remained unchanged since the Thirty Years’ War. Spend the afternoon relaxing back on board your floating luxury hotel.

DAY 7 | BAMBERG

Spend the morning cruising the scenic Main river. After lunch, arrive in the imperial city of Bamberg, a UNESCO World Cultural Heritage Site which retains its medieval layout of three settlement areas, along with its historic buildings and Baroque façades. Bamberg is ranked as one of Germany’s most attractive towns and known for its deliciously smoky beer and stuffed onions. This German town is also the place to begin your crossing of the Rhine-Main-Danube canal. This evening, join a presentation about the Main-Danube canal, which allows free flow of traffic between the North Sea and the Black Sea. It is your last night aboard, so let our Chefs delight you with their culinary magic at the Captain’s Gala Dinner.

DAY 8 | NUREMBERG

After breakfast, the entire AMADEUS crew thanks you for your patronage, bids you farewell and wishes you a safe journey.

Vineyard landscape near Grevenmacher on the Moselle river in Luxembourg

Your day program Cruise Cologne – Saarlouis – Cologne

DAY 1 | GERMANY: COLOGNE

Your cruising adventure begins in Cologne, where you will embark in the afternoon. Enjoy a Welcome Cocktail, followed by a delicious Welcome Dinner.

DAY 2 | COCHEM

During the morning, your luxury vessel will take you on a scenic cruise down the Rhine’s largest tributary, the Moselle River, famous for its picturesque landscape dominated by vineyards since Roman times. After your ship docks at Cochem, you can take the guided walking tour to discover the history seeping through Cochem’s narrow alleys, medieval town gates, churches and more. You will also visit the imperial Reichsburg Castle, which towers above Cochem on an imposing crag. Wind down at dinner with your fellow guests as your AMADEUS ship travels onward.

DAY 3 | BERNKASTEL · SAARBURG

In the morning, you will arrive at another medieval wine-growing town called Bernkastel-Kues, which is known for its medieval marketplace and its gabled houses, including the Spitzhäuschen (Pointed House). Take a trip around this charming town in the morning and enjoy the winetasting session, which is included in the guided tour. The afternoon is yours to spend relaxing on board, and late at night, your vessel will arrive in Saarburg.

„Wonderful cruise!

Libby V.

A toast to the „queen of white wines“, the Riesling

DAY 5 | SAARLOUIS · LUXEMBOURG: GREVENMACHER

After breakfast, join us to explore Saarlouis. Here, French serenity and pleasure are simply part of life. Perhaps also because the city was once founded by the French Sun King Louis XIV, whose name it bears. Parts of the original fortress remain intact and give insight into the town’s history. Famous German chocolate Schogetten and other classics are produced here, so have a taste of some cocoa treats of the Saarland. After lunch on board, your vessel will take another scenic turn on the Great Bend in the Saar River before heading to the famous Luxembourg.

DAY 6 | GREVENMACHER · GERMANY: TRIER

One of the smallest sovereign states in Europe, the Grand Duchy of Luxembourg, awaits you today. In the morning, you can choose between a visit to the town of Grevenmacher or join the excursion to Luxembourg City. Grevenmacher is a small town in eastern Luxembourg, in a romantic wine-growing region situated along the Moselle River. Luxembourg City is the capital of Luxembourg and houses the European Court of Justice. At lunchtime, you will rejoin your vessel and return to Germany, where you will dock in Trier. Don’t miss the opportunity to explore this lovely city with a history that stretches back to Celtic times. Evidence of Roman times still lingers in the city, giving it the nickname „Rome of the North.“ Its Porta Nigra (black gate) is the largest Roman city gate north of the Alps.

DAY 7 | KOBLENZ

Enjoy a restful morning on board and admire the intimate charm of the Moselle River. Wending between vertiginous vine-covered slopes, the Moselle offers entrancing scenery around every hairpin bend: vine-ribboned hillsides, colorful half-timbered medieval villages, crumbling hilltop castles and elegant Jugendstil (art nouveau) villas. During mid-afternoon, you will make a stop in Koblenz, which is situated at the confluence of the Rhine and Moselle rivers. Overlooking the confluence, it’s an observation platform in the shape of a ship’s bow named Deutsches Eck (meaning “German Corner”). Join the guided town walk through Koblenz. Back on board, you will be treated to the festive Captain’s Gala Dinner.

DAY 8 | COLOGNE

After breakfast, we bid you farewell.

The Golf Clubs

LE KEMPFERHOF GOLF CLUB
Some 20 minutes from Strasbourg, in the beautiful Alsace, Le Kempferhof Golf stretches across 85 hectares of tranquil, natural woodland. The 18-hole course was designed by the American architect Robert von Hagge and opened in 1990. Hundred-year-old oaks, poplars and beech trees line the beautiful and challenging course, which features 13 water hazards, undulating fairways, large bunkers and immaculate greens. The Château-Hôtel was inspired by Gaudi and built in 1865 by Jean de Dartein.

ST. LEON-ROT GOLF CLUB
Masterminded by the founder Dietmar Hopp, St. Leon-Rot opened in 1997 and became famous in 2002 when the world's number one player Tiger Woods won his third Deutsche Bank SAP Open there. One of the "Leading Golf Courses in Germany", the complex boasts two 18-hole championship courses and a 9-hole executive course. Architect Dave Thomas designed St. Leon as a links-style course, reminiscent of

Scottish or Irish golf courses. The Rot course retains much of the original river wetland, ensuring that the course offers not only charming scenery but also presents special challenges. The island green of the Rot course and the island fairway of the St. Leon course are the signature holes of the club.

JAKOBSBERG GOLF CLUB
Set high above the Lorelei valley in the Upper Middle Rhine Valley, deservedly a UNESCO World Heritage Region, the Jakobsberg Golf Resort boasts a truly majestic setting. The 18-hole golf course is nestled between forests and vineyards and was built by Wolfgang Jarsombek, who based his design on a model by architect Robert Trent Jones Jr. The course serves as a 3rd level tour venue. The strongly modelled fairways each feature four different teeing grounds, as well as large bunkers, water hazards and undulating greens. The course is sporting but fair and you may find that your greatest golfing challenge at the Jakobsberg Golf Resort will be not to get distracted by the views of the Lorelei valley and Marksburg castle.

GOLF & COUNTRY CLUB VELDERHOF
The Velderhof Golf Club extends over an idyllic and tranquil lowland surrounded by extensive forests. The championship course provides suitable challenges for players of all handicap levels. The 27 holes stretch over 3 courses, with 9-hole and 18-hole options. The golf course follows the ancient lines originally carved into the landscape by the Rhine River. It features fast greens, wide fairways, well-placed fairway bunkers and water hazards, all surrounded by picturesque streams and biotopes. The driving range features brand-new grass tees which extend over 2,500m² in front of the range.

The Golf Clubs

PANNÓNIA GOLF & COUNTRY CLUB
East of Budapest, the Pannónia Golf and Country Club is a 18-hole championship course was designed by the prominent Austrian architect Hans G. Erhardt and opened in 1996. The clubhouse blends beautifully with the wine-growing scenery. Idyllic lakes serve as obstacles for eight holes. Doglegs provide suspense at holes 9 and 11 and pin placements may also present a challenge at the hilly greens.

PENATI GOLF RESORT
The club offers two 18-hole courses – the challenging Legend course, which opened in 2012 and stretches over 95 hectares, and the Heritage course, which opened in 2013. The signature holes of the Legend course are the 716-meter 15th hole, which is the longest hole in Europe, as well as the final hole, which is the narrowest hole on the green and plays onto a beautiful island green, and will undoubtedly provide an exciting finish to the game. The second 18-hole course, the Heritage course, was designed by Jonathan Davison and the world-renowned Mick McShane and returns to the roots of island-design courses.

FONTANA GOLF CLUB
Situat about 30 kilometers south of Vienna, the 18-hole golf course is set in a lush natural setting and challenges players with its numerous bunkers and water hazards. The design of the golf course provides players with a top-class, international golfing experience. The course opened for play in 1996 and, from 2006 to 2009, hosted the European Tour in Austria and has since been considered one of the best golfing locations in Austria and Europe.

LENGENFELD GOLF CLUB
Lengenfeld features a 36-hole golf course which offers an unforgettable golfing experience amongst the terraced vineyard of a UNESCO World Cultural Landscape. It is divided into the Kamptal course and the Donauland course. While the hilly terrain and many water hazards of the Kamptal course allow long tees, the Donauland course presents a more athletic challenge with its slanted areas and narrow first 9 fairways.

QUELLNESS GOLF RESORT/BECKENBAUER GOLF COURSE
Picturesquely situated in the peaceful Bavarian countryside, the Quellness Golf Resort features the distinguished, 18-hectar Beckenbauer Golf Course, a championship course designed by renowned golfer Bernhard Lange. The course has been praised by some of the world's foremost players for its technical challenges as well as its impeccable condition.

REGENSBURG GOLF CLUB
At the foothills of the majestic Bavarian Forest, the grounds boast a clubhouse dating back to 1885, trees of up to 300 years old and offer spectacular views of the Danube valley. The undulating terrain and the water hazards present both a challenge to players as well as a feast of natural beauty.

This itinerary offers golf at four different courses, which are nestled amid stunning scenery, with guaranteed tee times, transportation, green fees, shared golf carts, culture, sightseeing and fine dining included. Throughout the cruise, enjoy the services and in-depth knowledge of our golf expert.

The Golf Clubs

LE GOLF NATIONAL/AIGLE COURSE
Situating near the renowned Palace of Versailles, this is a club no golf enthusiast should miss. Architects Hubert Chesneau and Robert von Hagge transformed the initially flat landscape into one of France's most popular and iconic golfing destinations, home of the Open de France and to the Ryder Cup in 2018. Its 18-hole Aigle course has a traditional links style feel to it and features undulating fairways, meticulously manicured greens and flowing roughs. The contoured fairways can be deceptive and sure to offer challenges for golfers of all handicap levels.

CHAMP DE BATAILLE GOLF CLUB*
This woodland championship course was designed in 1990 by American architect Robin Nelson and French landscape gardener Thierry Huau, who made sure that it follows the natural valleys and water hazards of the estate, featuring centuries-old trees, lakes and clusters of rhododendrons. Ranked among the top 25 finest golf courses in France, it stretches across 370 acres of

historic forest and parkland. The narrow woodland course and the natural water hazards require skill and concentration, offering golfers plenty of technical challenges. Optional golf club trip can be booked until 1 month before departure.

GOLF D'ÉTRETAT
The club is over 100 years old and was founded in 1908 by Englishmen. The original 13-hole course was designed by Julien Chantepie and Arnaud Massy (the only Frenchman to have won the Open). Didier Fruchet revised the layout in the 1990s and today the resort extends over 6,000 meters. The 18-hole course will test every facet of players' games, particularly with the exciting sequence of holes at the back nine, between the 10th and the 14th, where the fairways run along the cliff edge.

BARRIÈRE DE DEAUVILLE GOLF CLUB
The Club opened in 1929 and offers stunning views of the sea and the surrounding Normandy countryside, while presenting technical challenges that will test even experienced players, particularly on Cotton's Bleu course, with par 36, which is characterized by its green speed and many bunkers. Its three 9-hole courses, with a mix of tree-lined and open parkland holes, stretching across rolling terrain, were designed by architects Tom Simpson and Henry Cotton.

LE GOLF NATIONAL/ALBATROS COURSE
The championship Albatros course is considered one of the best in Europe and was host venue for the Ryder Cup 2018. Players can expect a course that offers plenty of risk/reward situations, with undulating fairways and links-style bunkers, and can look forward to the challenging water hazards that surround the final four holes. The Albatros course masterfully combines a traditional links feel with the modern features of target golf.

LINZ WALKING TOUR WITH LINZER TORTE TASTING

Connecting several trade routes, the upper Austrian state capital was a provincial and local government city of the Holy Roman Empire and an important trade center. As the city where the Habsburg Emperor Friedrich III spent his last years, it was, for a short period of time, the most important city in the Empire. After the death of the Emperor in 1493, Linz lost its status to Vienna and Prague. Take a stroll down the main street leading to the main square. In addition to the medieval town square in the historic old town and the Mozarthaus, see baroque bourgeois family houses, the old cathedral with the Bruckner organ or the new cathedral. Visits depend on Cathedral and Mass openings/times. Visible from afar is the pilgrimage basilica on the mountain Pöstling, the landmark of the town. Modern counterparts are the Lentos art museum and the Ars Electronica center, with its striking glass facade.

Time-permitting, conclude the tour with a slice of Linzer Torte – the sweet ambassador of Linz and the oldest known cake recipe.

After the ride to the 1,768 feet (539 m) summit, it is only a short walk to the church Seven Sorrows of Virgin Mary, built between 1742 and 1747. This landmark of Linz is also a local pilgrimage destination. In the 19th century, Archduke Maximilian Joseph of Austria built a fortification around Linz, building towers on Pöstlingberg Hill to mark the highest point. One of the towers has a popular terrace (recommended weather permitting) providing sweeping views of Linz and the surrounding countryside.

These travel conditions are issued in the name of the carrier, Lüftner Cruises GmbH / A-6020 Innsbruck, for the travel programs included in this brochure. Lüftner Cruises GmbH also does business under the trade name Lüftner Cruises. In the following, these are referred to as “the carrier”. These terms and conditions of travel apply to programs listed under either name. The transportation of passengers and baggage on any of the vessels offered is governed solely by the Terms and Conditions of the Passenger Ticket Contract (available on request).

WITHDRAWAL AND TERMINATION BY THE CARRIER:

The carrier may withdraw from the travel contract before the cruise starts or terminate it after the cruise has begun in the following cases, without the carrier being liable for any claims, particularly not for damages:

- a) The carrier and its representatives on board have the right to prohibit passengers from remaining on board if, despite prior warning, they do not comply with the rules and regulations in force during the cruise, including, in particular, applicable hygiene and health measures, and orders and instructions by the ship’s command, or if their behavior impairs the health and well-being of other passengers or crew, and/ or the safety of the ship, or if their behavior harasses other passengers. All consequences arising therefrom shall be borne exclusively by the passenger themselves and they shall not be entitled to a refund of the cruise fare.
- b) if, by two (2) weeks prior to the start of the cruise, the advertised minimum number of participants has not been reached, which is 80 passengers per cruise or whatever other minimum number of participants has been indicated in the advertising for the service concerned. This also applies in the event that it becomes apparent at an earlier point in time that the minimum number of participants will not be reached.
- c) if, by four (4) weeks prior to the start of the cruise – with the carrier having exhausted all other possibilities – it would be unreasonable for the carrier to execute the cruise because the costs incurred in the execution of the cruise would exceed the economic limit in relation to this cruise; that is, unless the carrier itself is answerable for the main reasons leading to the situation concerned.

GUARANTEE, REDRESS AND DUTIES TO CO-OPERATE:

If travel services are not provided as contracted then the traveler may demand redress, either directly on board or via his/her travel agency. Irrespective of the carrier’s overriding duty to provide service, the traveler has a duty to co-operate in that they must do whatever they can reasonably do to contribute to remedying the disruption and to keep any losses that may arise as low as possible or to avoid them completely. The traveler has a particular duty to advise the carrier’s representative on board (specifically the hotel manager, cruise director) immediately of any possible complaints. However, these persons are not authorized to deal with any claims.

CHANGES IN SERVICES AND PRICES:

- a) Changes and deviations of individual travel services from the agreed tour contract (for example, timetable changes, changes to scheduled sequences, or to hotel reservations) that become necessary after conclusion of the contract, and where there is no evidence of bad faith on the part of the carrier, are permissible, provided they are not significant changes and do not alter the overall tour program.
- b) The carrier reserves the right to alter the prices mentioned in the case of transportation price increases (particularly due to rises in fuel costs), docking fees, or due to fluctuating exchange rates, or to any other rises in prices /costs that were not known at the time of the completion of the booking contract.

ACTS OF GOD, STRIKES, OR OTHER CONDITIONS BEYOND CONTROL:

- a) **Before the cruise starts:** If execution of the cruise is made more difficult, jeopardized or impaired as a result of extraordinary circumstances that were unforeseeable at the time of entering into the contract and out of the control of the carrier, such as war, strikes, civil unrest, sovereign directives (such as the requisition of accommodation or of means of transportation), embargoes, natural disasters, accidents, epidemics, pandemics, damage to the vessel (especially to the hull and engines, etc.), or other occurrences that are equivalent in their effect to the examples mentioned above (force majeure), the contracting parties may withdraw from the contract before the start of the trip, without any claims against the carrier arising from this, in particular for damages.
- b) **After the cruise has begun:** If the circumstances specified above come about after the cruise has begun and the cruise is ultimately delayed, then the carrier is authorized to reconstruct the remaining journey such that other routes or means of transport are organized, for example, by avoiding a harbor, or by traveling overland, so that the journey can be ended at approximately the original time specified. In such a case, the tour price will not be reduced and the carrier will not be liable for claims, particularly not claims for damages.
- c) **Termination of a cruise:** Should a cruise have to be terminated due to any of the abovementioned circumstances, the carrier is authorized to transport passengers and their baggage by alternate means of transport (such as by train, bus or plane) to the agreed starting or end point of the cruise, or to an appropriate intermediate point with suitable means of transport. The carrier is not
- d) **Ship in distress:** Should another vessel be in need of the cruise ship’s assistance during a cruise, then the carrier is not liable for any delays caused by the assistance rendered or by any rescue operation. The decisions regarding such possible assistance rest solely with the ship’s captain. The carrier will not be liable for claims, particularly not claims for damages.
- e) **Changes in the water level:** Unusually low or high river water levels may cause changes to the itinerary, possible re-embarkation onto another vessel or transfer(s) by coach or rail, or may even lead to a shortening of the journey. The carrier and the ship’s captain sometimes have to take such decisions quickly. Such measures do not justify withdrawal from the contract by the person traveling and the carrier is not
