

Lights & highlights Northern Europe

Fred. Olsen Cruise Lines are known for their hand-crafted and innovative cruise itineraries. In 2024, Northern Europe cruises create a spotlight on Norway, and Iceland, and the Northern Lights. Visit ports that are well-placed for discovering diverse landscapes and indigenous culture in the remote Arctic wilderness; mush your own team of huskies, meet local Sámi communities, spot marine life with the wildlife charity ORCA, and watch for the dancing hues of green, pink and purple of the Northern Lights.
