Antarctica, Australia & New Zealand

SMALL SHIP EXPEDITIONS  
2025-2026

# Mawson's Antarctica

## Antarctica & Subantarctic Islands | 24 Days

Retrace the historic voyage of Sir Douglas Mawson's Australasian Antarctic Expedition (AAE) and experience the grandeur of remote East Antarctica. Cross the Antarctic Circle towards Commonwealth Bay and the fabled Cape Denison. Conditions permitting, make landfall to explore what remains of Mawson's main base, and find yourself transported back to the heroic age of Antarctic exploration. Keep watch for porpoising Adélie and emperor penguins, orcas patrolling for prey, and snow petrels soaring against the backdrop of the vast ice sheet.

### HIGHLIGHTS

- Navigate through gleaming pack ice alive with Weddell and leopard seals and Adélie and emperor penguins
- Discover historic Commonwealth Bay as we attempt to make a rare and much-coveted landing at Cape Denison, the site of Mawson's Huts (ice and weather permitting)
- Skirt rowdy beaches crowded with harems of New Zealand Hooker's sea lions to reach gnarled rātā forests, where rare yellow-eyed penguins can be found

### DAY OVERVIEW

1	Arrive in Hobart and transfer to your hotel.
2	Embark in Hobart.
3–5	At sea.
6–7	Macquarie Island is a remote subantarctic wonder teeming with unique wildlife and rugged landscapes. It is renowned as one of the most important seabird breeding sites in the world, with vast colonies of penguins, albatrosses, petrels, and other species congregating on its rocky shores. (Visit subject to permits.)
8–10	At sea.
11–13	When Captain John King Davis skilfully steered the <i>Aurora</i> through heavy pack ice in 1912, the Australasian Antarctic Expedition became the first to chart this stretch of coastline. As you sail into these waters over a century later, you are entering one of the most inaccessible and seldom-visited parts of Antarctica.
14–15	For many expeditioners, approaching Commonwealth Bay, where Mawson and his men established their main base, evokes a profound sense of awe and humility.
16–19	At sea.
20–22	As we explore the New Zealand subantarctic islands, you will be witness to an ecosystem populated by unique endemic species such as the yellow-eyed penguin and Campbell mollymawk.
23	At sea.
24	Disembark in Dunedin.

# Ross Sea Odyssey

## Antarctica & Subantarctic Islands | 25 Days

Step back into the heroic age of Antarctic exploration to discover a wildlife wonderland. As you journey south, spot yellow-eyed penguins and royal albatross on New Zealand's Auckland and Campbell Islands. Crossing the Antarctic Convergence, enter pack ice alive with orcas, seals and emperor penguins. Our expedition days within the Ross Sea offer icy drama, rich wildlife experiences and extraordinary stories of human exploration and survival.

### HIGHLIGHTS

- Explore the world's largest body of floating ice, the Ross Ice Shelf, rising 30 metres from freezing waters patrolled by pods of orca
- Witness Campbell Island's southern royal albatross ballet
- Stand quietly in huts little-changed since Scott, Shackleton, Mawson and the heroic age of Antarctic exploration (ice and weather permitting)

### DAY OVERVIEW

1	Arrive in Dunedin and transfer to your hotel.
2	Embark in Dunedin.
3	At sea.
4–6	As we explore the New Zealand subantarctic islands, you will witness an ecosystem populated by unique endemic species such as the yellow-eyed penguin and Campbell mollymawk.
7–10	At sea.
11–17	Thrill to the grandeur of the transantarctic mountains as we attempt to push deep into the Ross Sea on a pilgrimage to historical sites of the heroic age of exploration, and marvel at the perfectly cleaved Ross Ice Shelf. This area is home to Antarctica's largest Adélie penguin colony and is the site of the first recorded landing in Antarctica. Watch for ethereal snow petrels as they play on air currents sweeping down from the polar ice cap.
18–20	At sea.
21–22	Macquarie Island is a remote subantarctic wonder teeming with unique wildlife and rugged landscapes. Despite its remote location and harsh climate, Macquarie Island supports a remarkable abundance of wildlife. (Visit subject to permits.)
23–24	At sea.

# Subantarctic Discovery

## Australian & New Zealand (Aotearoa) Subantarctic Islands | 15 Days

Perched on the Antarctic Convergence, Australia and New Zealand's subantarctic islands are home to some of the most abundant and unique wildlife on earth. New Zealand's Auckland and Campbell Islands are home to yellow-eyed penguins, sea lion harems and courting southern royal albatross. Immerse yourself in magnificent Fiordland.

### HIGHLIGHTS

- Delight in seeing sea lion harems and yellow-eyed penguins
- Listen as southern royal albatross court amid megaherb meadows
- Take in a waterfall wonderland while cruising magnificent Fiordland

## NZ Subantarctic Islands, Ross Sea, Antarctic Peninsula, Antarctic Circle | 34 Days

Calling all pioneers, history buffs and adventure lovers for an epic adventure across the southern seas. Follow in the footsteps of explorers such as Scott, Ross, Amundsen and Shackleton and embark on a journey very few people on this planet have made. Sail beyond the Antarctic Circle, uncover wonders of the Ross Sea, explore the Antarctic Peninsula and the incredible sights in between! This is a once-in-a-lifetime opportunity to witness the beauty and majesty of this remote and pristine environment.

## HIGHLIGHTS

- Learn more about the impressive Ross Ice Shelf, the largest ice shelf in the world (roughly the size of France)
- Follow the trails of pioneers and traverse the Antarctic coastline from the Ross Sea to the Antarctic Peninsula
- Bear witness to a vast array of wildlife, including numerous penguin species, all on one trip

# Antarctic Peninsula: Fly the Drake

## Antarctic Peninsula | 12 Days

Separating South America from the Antarctic Peninsula, the Drake Passage tests the skills of the most experienced navigators. On this voyage, avoid sailing the notoriously choppy passage by flying over it in both directions – a great way to reach the white continent if you are prone to sea sickness. In the safe hands of experienced pilots, your pulse will quicken as you glimpse your first icebergs in the Southern Ocean, where your vessel awaits, ready to take you on an exhilarating adventure.

### HIGHLIGHTS

- Soar over the Drake Passage in both directions, soaking in the splendour of the icy scenery below
- Enjoy lengthy daylight hours as the sun barely dips below the horizon, giving you more time to explore
- See fluffy juvenile penguins preparing for independence

# Across the Antarctic Circle

## Antarctic Peninsula, Antarctic Circle | From 13 Days

Venturing below the Antarctic Circle is about more than just earning bragging rights. It is the chance to enter a different world that is rarely seen, and with its great swathes of pack ice and dreamlike icebergs, it feels more isolated and colder than farther north. Thread through narrow channels where scenes of ice-clad mountains, whales feeding and lively penguin colonies, become lasting memories.

### HIGHLIGHTS

- Experience a toast at the Antarctic Circle, 66° 33' south (conditions permitting)
- Enjoy a splendour of wildlife activity as birds, seals and whales race to fatten up for winter
- Visit fascinating historical sites
- Zodiac-cruise with the hope of spotting leopard and crabeater seals

# Wild Antarctica *featuring* the Weddell Sea

## Antarctic Peninsula & Weddell Sea | From 12 Days

Famed for its tremendous tabular icebergs, year-round sea ice, fascinating fossils and the pivotal role it played in Shackleton's *Endurance* expedition, the Weddell Sea offers unsurpassed opportunities for exploration. Embark on a true Antarctic expedition as we not only explore the western side of the Antarctic Peninsula but also attempt to venture east towards the icy perimeter of the Weddell Sea, which is often guarded by impenetrable pack ice and home to awe-inspiring tabular icebergs.

### HIGHLIGHTS

- Be awed by the array of wildlife that play and hunt in the Antarctic Sound
- Marvel at gigantic tabular icebergs in the Weddell Sea

### DAY OVERVIEW

- 1 Arrive in Punta Arenas and transfer to your hotel.
- 2 Fly\* to King George Island for embarkation.

In the days ahead, immerse yourself in the unforgettable landscapes of the white continent. Sail across the Bransfield Strait into the other-worldly landscape of the Antarctic Sound. If sea ice conditions allow, venture east into the Weddell Sea, known for its impressive sea ice and large icebergs. Feel your pulse quicken as vast tabular icebergs pass close by. We aim to land on fossil-rich islands for exploration and to hear from our expert paleontologist. Roam the shoreline near where Adélie, gentoo and chinstrap penguins waddle, and delight in their charismatic antics. Zodiac-cruise in search of seals, whales and their calves. We aim to land on the Antarctic continent and the many islands surrounding the peninsula, to visit historical sites and to experience the unforgettable landscape up close.

11–12 Sail the Drake Passage.

13 Disembark in Ushuaia.

# Spirit of Antarctica *featuring* the Chilean Fjords

## Antarctic Peninsula & Chilean Fjords | 13 Days

As Antarctica laps up the last of the summer sun and the landscape is bathed in dappled light, its inhabitants show no signs of slowing down. Sail across the famed Drake Passage to and from Antarctica, admiring spectacular seabirds and approaching the ice as the explorers of old did – by sea. With one eye on the sky, watching for skuas, terns or cormorants, you will also need one eye on the water’s surface. This time of year is when humpback whales are peaking in numbers and when you may see penguin chicks heading out for their first swim.

### HIGHLIGHTS

- Sail the Chilean Fjords, keeping watch for seabirds and marine wildlife, including dolphins, sea lions and whales
- In Zodiacs, explore quiet bays and coves while searching for wildlife and marvelling at dazzling icebergs
- Observe extraordinary wildlife, including fast-growing penguin chicks leaving their nests and learning to swim

## Antarctic Peninsula & Chilean Fjords | 14 Days

By late summer many adult penguins have returned to the sea, leaving their inquisitive fledglings to fend for themselves. Watch spellbound as they take their first tentative steps into the sea. On land, the summer melt reveals splashes of brilliantly coloured snow algae. Whales congregate in increasing numbers before migrating north for winter while skuas, terns and a suite of petrels wheel against a backdrop of spectacular sunsets, as the days shorten and winter gradually approaches.

### HIGHLIGHTS

- Observe extraordinary wildlife, including fledgling penguin chicks and massive humpback whales
- Spot leopard seals on ice floes from our Zodiacs
- Zodiac-cruise in search of feeding and breaching whales
- Soar high over the Drake Passage from Punta Arenas

# In Shackleton's Footsteps

## Antarctic Peninsula, Weddell Sea & South Georgia | 20 Days

Follow in the footsteps of 'The Boss' on this quintessential polar voyage, from the serene ice of the deep south to the subantarctic wildlife paradise of South Georgia. Experience the Antarctic Peninsula and set foot on the continent before making your way north to the spectacular Antarctic Sound, gateway to the Weddell Sea. Embrace the adventure as you voyage farther east, navigating as far as possible into the Weddell Sea, where Shackleton's *Endurance* met its fate. From here set a course to Elephant Island, the desolate outpost where Shackleton and his men finally made landfall after 497 days at sea. On the final leg of your voyage, follow the course of the *James Caird* across the Scotia Sea to South Georgia, where Shackleton's voyage reached its remarkable conclusion.

### HIGHLIGHTS

- Learn about the fascinating history of Shackleton's *Endurance* expedition, including the 2022 discovery of the shipwreck
- Marvel at enormous tabular icebergs that escape the Weddell Sea into the Antarctic Sound, also known as 'Iceberg Alley'
- Hike from Fortuna Bay to Stromness, repeating the final leg of Shackleton's remarkable traverse of South Georgia (conditions permitting)

# Antarctica & Patagonia Explorer

Combines ‘Antarctic Explorer’ + ‘Patagonia & Chilean Fjords’ | 25 Days

This new voyage combines the icy spectacle of Antarctica with the calm beauty of the Chilean Fjords. Start your journey with a flight to the South Shetland Islands and explore what wonders are on offer in the late summer season. You will certainly delight in the plentiful numbers of whales gathering in the icy sounds, not to mention the moulting penguins and inquisitive fledglings taking their first tentative steps into the sea. Skuas, terns and a suite of petrels wheel against a backdrop of spectacular sunsets as the days shorten and winter makes its gradual approach. Your adventure continues northwards through the stunning Chilean Fjords. As you pass craggy peaks, snow-covered mountains and waterfalls, spot the vast array of mammals and birdlife that call this region home.

## HIGHLIGHTS

- Late season is the perfect time to bear witness to the sheer number of whales congregating in the region before beginning their migration north for the winter
- Combine the grandeur of Antarctica with the calm beauty of the Chilean Fjords, both offering unique wildlife and spectacular sights
- Spend a night in Torres del Paine National Park and maximise your hiking time over two action-packed days
