Explorer's Choice offer is valid for new stateroom and suite bookings made between April 3 and June 30, 2025. Guests booking a stateroom receive the choice of one amenity; guests booking a suite receive the choice of two amenities. If the Air Credit amenity is chosen, the credit will be applied as a "dollars off" savings from the cruise fare before any other discounts have been applied; guest(s) will independently book and pay for their own air travel. The Hotel Package amenity is in addition to the standard hotel inclusion that may be offered as an expedition inclusion on select Polar Expeditions. Hotel amenity not available on expedition departures from Casablanca, Dubrovnik, Naples, Amsterdam, Rome, and Venice. The 2-day Land Package amenity applies to Antarctica only and includes the standard 1-night hotel inclusion, plus an additional hotel night, two guided tours, meals (breakfast, lunch, dinner) and transfers. The Enhanced Unlimited WiFi Package is for unlimited access for two devices for the entire expedition cruise and is an upgrade from the standard 1G of WiFi provided for one device. Explorer's Choice is combinable with all in-market promotional offers, including Bonus Savings, Atlas Yacht Club Savings, Military Edge Savings and Onboard Savings. Offer may not be combined with special discounts and promotions or applied to group bookings, charters, transfers, expedition experiences and excursions, insurance, air travel, pre- and/or post- expedition tours.
