# The Tauck river cruising difference

*Named to Travel + Leisure's "World's Best Awards" river cruise lines list for 16 consecutive years, Tauck's European river cruises aboard our custom-crafted, intimately sized ships promise meaningful connections among like-minded travellers. No single supplement in Category 1 makes them a perfect choice for solo travellers.*

## *Distinctively inclusive*

Everything is taken care of from the moment you arrive – we handle all details so you can just drop your bags and relax. And everything is included – all gratuities, all guided shore excursions, unique experiences ashore, fine dining, all-day complimentary beverages, wine and spirits aboard ship – and 24/7 onboard security.

## *Exclusive access*

Enjoy the ease of an expertly choreographed river cruise, complete with exclusive Tauck experiences, insider access, and seamless travel every step of the way. Destination-inspired, Tauck's cultural discoveries and private experiences are unique to the places you explore with us, ensuring an authentic connection with local life.

## *Fewer guests onboard – and you're guided by the best*

With no more than 130 guests onboard, it's easy to connect in a congenial setting with a more personalised experience – our custom riverboats are designed to offer the most space per guest on Europe's rivers. A Tauck Cruise Director and a dedicated Tauck Director for every 35 guests mean more personal, attentive service; and on shore excursions, enjoy a 15:1 guest-to-guide ratio.

## *The perfect choice*

You'll have a choice of included excursions to meet your interests for a more personalised river cruise – all-inclusive experiences that allow you to make your river cruise your own, including active options and deeper discoveries off-the-beaten-path. They are thoughtfully timed and choreographed to enable closer, more meaningful connections with the places you go and people you meet.
