25 years of award-winning safaris

Professional guides lead the way

With 25 years of experience guiding guests through Africa, our knowledgeable Tauck Directors seamlessly manage all day-to-day travel details and accompany our guests every step of the way. Highly trained local guides and trackers lead game drives, sharing expert insights about wildlife, local culture, and daily life.

All-inclusive in one upfront price

When deciding who to travel with on a bucket list safari, it's important to note what's included. All Tauck safaris include virtually every travel expense in one upfront price, covering airport transfers upon arrival and departure, on-tour flights, meals, hot air balloon rides, cultural experiences and more, with no upselling.

Award-winning accommodations

Tauck guests stay in the heart of Africa's best national parks and private reserves in luxury tented camps, old-world safari clubs and iconic safari lodges, with many ranked among the "World's Best." Ideally located for optimum viewing of the "Big Five" and other game animals, they're renowned for their settings and attentive service, too.

Small and Even Smaller Groups averaging 15, 24, or 30

With a maximum of 6 Tauck guests per safari vehicle, you're ensured a window seat, unobstructed views, and more personal access to local trackers and guides. Smaller groups allow for flexibility and more meaningful wildlife encounters, delivering a more comfortable, immersive, and intimate safari experience from start to finish.
