PROGRAMS & RESOURCES

We are committed to helping you grow your business by providing an array of programs and insightful tips for selling The Ritz-Carlton Yacht Collection — from valuable savings incentives for your clients and an easy-to-understand group policy, to helping you identify the perfect prospect, plus other useful tools for the trade.

COMBINED VOYAGE INCENTIVE

Most of our itineraries allow guests the opportunity to combine voyages back-to-back without repeating the same ports, offering the perfect option to extend their time on board. Plus, guests can enjoy a 5% cruise fare savings incentive when combining two or more consecutive voyages.

ONBOARD SAVINGS INCENTIVE

Guests can enjoy a cruise fare savings incentive when they reserve their next voyage while on board the yacht. To reserve, a floating deposit is required, and guests will have one year to select their voyage. Our reservations team will contact your clients, and as their Travel Professional of record, you will hold complete control to assist with the guests' future travel plans.

GROUPS

Combining casual elegance with comfortable surroundings, each space has been designed to allow guests to connect. From a cocktail hour looking out over the marina at sunset or intimate alcoves for quiet conversation, the yacht is designed for every need of groups and luxury travelers.

FIT GROUP POLICY

- **Evrima:** Minimum of 12 suites, maximum of 30 suites, double occupancy
- **Ilma and Luminara:** Minimum of 12 suites, maximum of 50 suites
- One Tour Conductor for every 12 suites
- No deposit is required to lock in rate for 90 days, however, suites will only be booked and confirmed with a 25% deposit and guests' names
- \$200 onboard credit per suite valid toward shore excursions, spa treatments, specialty dining and more
- Commissions are paid at the same agency rate for FIT bookings (does not apply to TC earnings)

For more information, contact your sales support team.

OUR DESTINATIONS

Thoughtfully crafted itineraries of mostly seven to ten nights explore both the classic and glamorous yachting destinations of the world. Guests enjoy a relaxed pace on journeys that are designed to achieve only modest miles in a given itinerary. Equally noteworthy is the yacht's intimate size, which allows for tying up dockside in smaller ports, giving guests more time in port to explore — including late-night departures and many overnights. With yacht charters, the itinerary can be completely customized.

ALASKA

Wild Alaska, awakened. Discover secluded landscapes, abundant wildlife, and endless sunlight, all while enjoying effortless elegance aboard.

ASIA/AFRICA

Singular voyages of adventure around Africa, the Indian Ocean, and Asia sail emerald waters to encounter the wilds of nature, the imprints of history, and the vibrant energy of cultural capitals.

CARIBBEAN AND CENTRAL AMERICA

Sugar sand, colorful coral, lush rainforests and volcanic landscapes provide myriad opportunities for adventure and incredible sights.

FRENCH POLYNESIA

Rings of coral barrier reef and palm-fringed motu trees, waterfalls and majestic volcanic peaks set the scene for sailings around this pearl of the Pacific Ocean, the

birthplace of navigation. Visit islands of fern forest grottoes and calm lagoons, where blooming tiare flowers perfume the breeze and each shore reveals its own folklore.

MEDITERRANEAN

Rich with history, with monuments and ruins dating back to the earliest civilizations, the Mediterranean moves at a slower pace than its northern neighbors.

NORTHERN EUROPE

Your guests can set sail for the British Isles, Nordic shores and jewels of the Baltic Sea. Fairytale castles and historic cathedrals await discovery in iconic capital cities, while colorful villages are nestled within the majestic fjords of Iceland and Norway.

CROSSING VOYAGES

Guests have the opportunity to unplug from everyday life with time to enjoy the laid-back, unhurried life on board.
