In harmony with nature's rhythm

Sailing is our focus, and we relish every opportunity to hoist the sails and be one with the wind, the sea, and the endless horizon. Nowhere else are you this close to the elements. For more than 40 years, we have been pursuing the principles of sustainable tourism, meeting people at eye-level in the countries we visit, experiencing cultures, appreciating local customs, and creating added value for the regions.

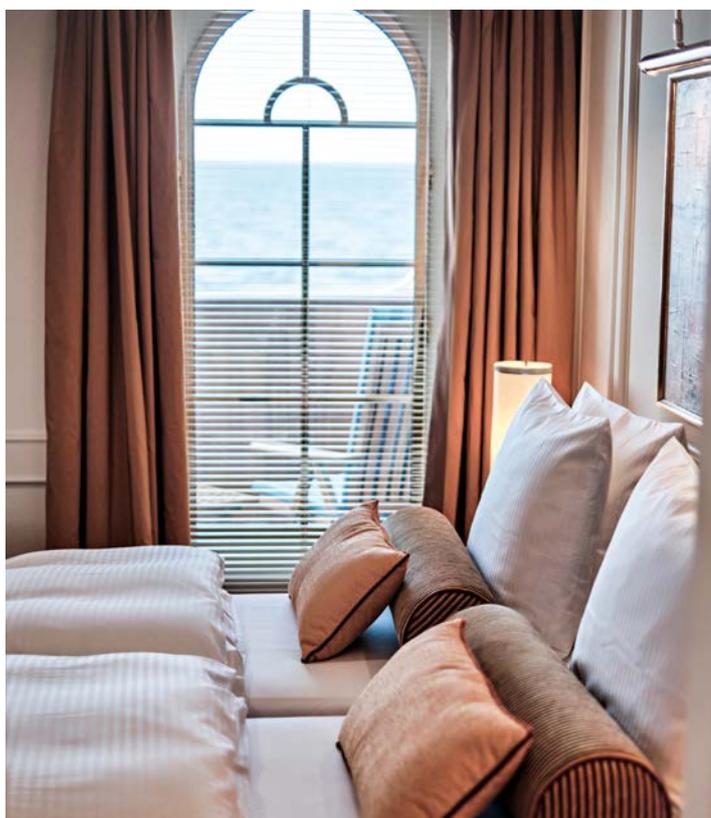

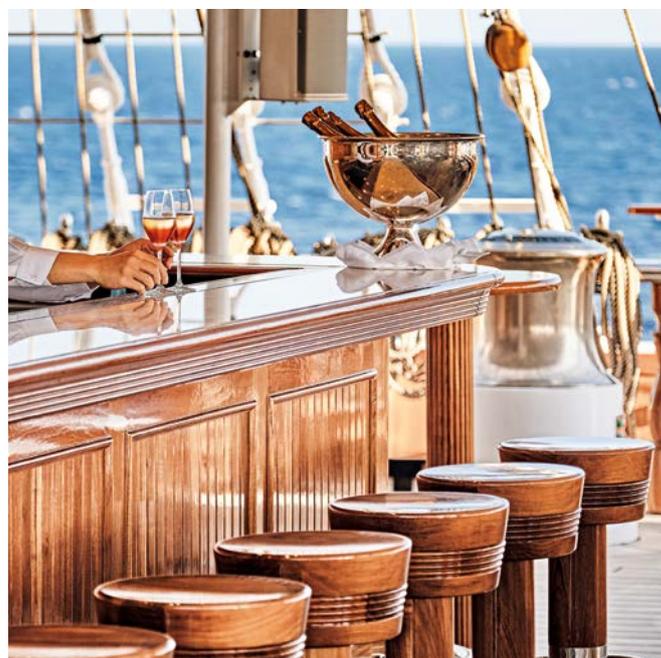

The choreography of sailing a private yacht

We pride ourselves on the personal touch; even our sails are hoisted by hand. Our crew deftly scale the shrouds and release the sails, as the deck team works seamlessly to fasten the ropes below. As the majestic sails catch sea breezes, you will notice a feeling of freedom rushing in. The ocean spreads out in an unending scene of serenity as fresh sea air reinvigorates the senses.

Every itinerary is special, so you can see the world from a new perspective.
