For more than 40 years, the visionary founders of AMADEUS, Wolfgang and Martina Lüftner, have perfected the fine art of river cruising. AMADEUS reflects a signature style and *rich cultural expertise* born from our family's own deep experiences on the waterways and rivers of Europe.

Step aboard one of the youngest fleets in Europe and experience what *true luxury* means – exquisite taste, impeccable knowledge, and culinary adventure. Share the journey with us over a glass of regional wine or a locally crafted beer. We meet as friends yet depart from every cruise as family.

OUR SIGNATURE STYLE OF LUXURY CRUISING

Ships Built with Inspiration

Among the newest, most innovative fleet in Europe, AMADEUS ships promise a rare opportunity to explore world-renowned European riverscapes in well-appointed luxury. Our designs strike the perfect balance between function and elegance, modern yet inviting. In 2026, celebrate with us as we christen our newest ship, the *AMADEUS Aurea*.

Join us on a culinary journey – savor new flavors or indulge in the comfort of familiar favorites. From generous breakfast buffets and relaxed lunches to expertly crafted evening meals, each dish reflects our passion for regional traditions and carefully selected local wines.

EXPERIENCE THE AMADEUS DIFFERENCE

A New Icon Sets Sail Each Year

Our fleet remains young and modern for a simple reason: each year, it grows by one more masterpiece. Every new ship reflects our latest inspirations – designed to deliver an unforgettable river cruise experience. From the first blueprint to the final brushstroke, we oversee every detail, uniting timeless elegance with bold innovation. So, time and again, you can fall in love – with your floating sanctuary on the river.

Room to Wander, Space to Breathe

On an AMADEUS river cruise, we sail with an average of just 160 guests or fewer, ensuring a more relaxed atmosphere and the freedom to truly unwind. Stretch your legs from bow to stern, lounge on the sundeck, or sip a glass of regional wine in your cabin or suite – among the most spacious on Europe's rivers. Each ship is fully equipped with luxurious amenities, beautiful public spaces, and multiple dining venues throughout.

Effortless Luxury

To us, true luxury is quiet, refined, and ever-present – surrounding you in thoughtful, timeless style. It's found in your spacious bathroom, complete with a glass-enclosed shower and Rituals® amenities. In the modern fitness room, open around the clock. In the sunlit restaurant, where panoramic views accompany every meal. And most of all, in those moments on board when you realize: nothing needs to be added to what is already perfectly beautiful. Because true excellence doesn't seek attention – it speaks for itself.

Deep Commitment to Sustainability

For over 40 years, we've been cruising Europe's great rivers – with passion and purpose. We see ourselves as part of the nature and culture that surround us, which is why we go beyond the usual standards when it comes to sustainability. From industry-leading environmental solutions to strong social commitment, we're shaping the future of river cruising responsibly. The result? A journey that simply feels better – and safer, too. Because all our ships are equipped to the highest safety standards.

EXTRAORDINARY SHIPS

AMADEUS Promises Brilliance

The ships of our fleet are *passion projects* through and through. Reflecting Europe's highest shipbuilding standards, AMADEUS has set the standard as innovator and industry leader while continuing our *tradition of excellence*. Each year, we celebrate the launch of a new vessel with a traditional champagne christening, welcoming guests aboard to experience thoughtfully curated designs, *finest interiors* and our commitment to quality.

AWARD-WINNING SUSTAINABILITY

Luxury Travel with a Lighter Footprint

Long before sustainability became a household word, we understood our responsibility to the greater travel world around us – from the rivers we sail to the preservation of fragile historic sites. Forty years later, we know that true luxury is simply being a part of these magnificent places and honoring them for future generations. Our work today focuses on building efficiencies and practicing smart consumption, whether we're designing a new fuel system or conserving plastic. Sustainability isn't just what we do – it's who we are.

Innovative Designs, Lower Emissions

From our first designs, we consider environmental impact. How can we be responsible stewards of nature? How can we protect clean waterways? We answer these questions on the front end, long before a ship enters the water. Today, all AMADEUS ships are equipped with highly fuel-efficient engines, supported by powerful technology like our AI-supported Fleet Controlling System. *AMADEUS Nova* and *AMADEUS Aurea*, our first hybrid ships, feature solar panels, a diesel-electric drive system designed to reduce Co² emissions, and heat exchangers that recover valuable energy. *AMADEUS Amara's* lightweight construction and extremely shallow draft allow it to glide through the rivers with minimal water resistance, enhancing fuel efficiency.

Conscientious Consumption

Aboard our ships, discover a signature style that's both refined and responsible. We avoid single-use plastics whenever possible, featuring luxurious, refillable toiletries, glass water bottles, and fabric laundry bags. Recycling is a standard practice on all of our cruises, proven by our steadily increasing recycling rates. Dedicated to providing you with more choices while minimizing waste, our menus offer smaller portions that leave little food waste.

Certified Green Excellence

Since 2002, the entire AMADEUS fleet has earned the *Green Award*, a global environmental certification that recognizes ships dedicated to the highest standards of environmental care. Established in 1994 for sea-going vessels, the award recognizes industry leaders who have made significant strides in safety, environmental performance, and social responsibility.

Giving Back with AMADEUS Smile Projects

For decades, we proudly support the very regions we cherish. Through our charitable AMADEUS Smile Projects, we build meaningful relationships with our travel communities and environments. It is our way of giving back to this world that gives our guests a lifetime of memories. Our projects focus on vital river conservation and cultural preservation in Europe as we strive to protect and preserve these ecosystems for future generations.

Your daily program Cruise Paris – Le Havre – Paris

DAY 1 | FRANCE: PARIS

Embark this afternoon in Paris, the romantic City of Light. After unpacking, join your fellow travelers for a Welcome Cocktail, followed by a specially-prepared Welcome Dinner.

DAY 2 | CONFLANS-SAINTE-HONORINE

Arrive early in the morning in Conflans-St.-Honorine, at the confluence of the rivers Oise and Seine. Join a guided tour to the little town of Auvers-sur-Oise, a charming French town with narrow laneways, shuttered homes and the scent of roses guiding your exploration. It is not hard to see why the town was an inspiration to many Impressionist masters, including Cezanne, Pissarro and Daubigny. The most famous of these artists is Vincent van Gogh, whose final resting place is here. Depart late this afternoon.

DAY 3 | ROUEN

This morning, explore the capital of the Normandy region on a guided walking tour. Discover Rouen's rich history as you visit the majestic cathedral that inspired Claude Monet, the striking modern Church of Joan of Arc, and the iconic "Gros Horloge" – the city's famous astronomical clock. This afternoon, go back to the 17th century by

"Monet's Garden was wonderfully serene. A light rain fell during our visit, but it only added to the atmosphere."

visiting Le Pressoir d'Or, a typical farmhouse where you can taste cidre and view the orchard cellar and the museum dedicated to the old apple press. Afterwards, visit Lyons-la-Forêt, known as one of the most beautiful villages of France, situated 30 km east of Rouen, in a beautiful forested setting in Normandy. Late this afternoon, the vessel departs as it continues northward.

DAY 4 | LE HAVRE

The harbor of Le Havre is your convenient base for two optional land explorations. This morning, choose an excursion to the charming

coastal town of Honfleur, renowned for its postcard-perfect harbor framed by 16th- to 18th-century townhouses. After lunch, continue your discovery of the Norman coast with a scenic walk along the dramatic cliff-top paths of Étretat, where breathtaking views of towering chalk cliffs and striking needle-like rock formations await.

DAY 5 | LE HAVRE · CAUDEBEC-EN-CAUX

Today, embark on a full-day journey through the heart of Normandy. Immerse yourself in the region's rich culinary heritage and powerful history with a visit to Arromanches, the coastal town closely tied to the liberation of Western Europe. Visit the elegant town of Bayeux for a delicious Norman lunch. Alter-

DAY 6 | LES ANDELYS · VERNON · MANTES-LA-JOLIE

Today offers several options for your day's adventures. Relax in the charming town of Les Andelys or venture farther afield to the ruins of Château Gaillard, the former stronghold of the English king, Richard the Lionheart. Continue to Giverny to visit the home of Impressionist master Claude Monet and the enchanting gardens that inspired many of his iconic works. After enjoying a delightful lunch on board, embark on an afternoon excursion to Château de Malmaison, the former residence of Joséphine and Napoleon Bonaparte, where you'll get a glimpse into the private life of the Imperial couple. Later this afternoon, rejoin your ship in Mantes-la-Jolie as your journey continues toward Paris.

DAY 7 | PARIS

In the early morning, it is once again "Bienvenue" to the French capital. Explore the sights of the Eiffel Tower and the bustling Champs-Élysées, one of the world's most famous commercial streets, during a morning city tour.

Later in the day, join us as we delve into the allure of Montmartre, an eternal muse for creativity and expression, located on the highest hill in northern Paris. From its cobbled streets and quaint cafes to its iconic Sacré-Coeur, Montmartre offers a unique experience that transports visitors back to the "La Belle Époque" era. Late this afternoon, enjoy a festive Gala Dinner and admire the city lights of the French capital.

DAY 8 | PARIS

After breakfast, your AMADEUS crew bids you "adieu" and wishes you a safe journey home. We hope to welcome you again soon!

DAY 1 | FRANCE: LYON

Embark this afternoon and make yourself comfortable in your cabin, which will be your luxurious home for the coming week. In the evening, join fellow travelers for a Welcome Cocktail and a delectable Welcome Dinner.

DAY 2 | MÂCON

This morning, your ship arrives in Mâcon, nestled in southern Burgundy, a region steeped in over 2,000 years of history and home of some of the world's finest wines. Join a guided tour through the tranquil vineyards of Beaujolais and Mâconnais, culminating in a visit to the celebrated "Hameau Duboeuf" wine museum. Here, you'll uncover the story of Burgundy wine, from vine to bottle and, of course, enjoy a tasting of its exquisite offerings. After lunch on board, choose between two captivating excursions: explore the spiritual grandeur of Cluny Abbey, once the most influential monastic center in Europe, or visit the romantic Château de Pierreclos, where vaulted wine cellars and sun-kissed vineyards await. As evening falls, return to the ship and savor a leisurely dinner on board.

DAY 3 | CHALON-SUR-SAÔNE · TOURNUS

Continue exploring the Burgundy wine region in Chalon-sur-Saône, where half-timbered houses overlook a square teeming with art galleries and specialty shops. Enjoy a scenic drive through the Burgundy wine route on the

morning tour. Your bus will stop in Beaune, where you will see the beautiful Hôtel-Dieu and enjoy a wine tasting at one of Beaune's famous cellars. After lunch on board, unwind and admire the scenery as the vessel continues along the Saône or, alternatively, join the afternoon excursion, which departs from Chalon-sur-Saône overland for the medieval towns of Brancion and Cormatin. Constructed in the 17th century to impress its visitors, the Château de Cormatin features magnificent French gardens. Rejoin your vessel in time for dinner on board.

DAY 4 | LYON

Today your AMADEUS vessel returns to Lyon, which is known not only for its architectural beauty but also for its gastronomic excellence.

On the guided tour, discover this UNESCO World Heritage site with its most famous landmarks including the Basilica of Notre-Dame de Fourvière and the charming Renaissance Vieux Lyon (Old Lyon), or join the excursion to the covered food market of Paul Bocuse and sample the local delicacies. At midday, the ship leaves Lyon.

DAY 5 | AVIGNON

Spend the day exploring the Provençal city of Avignon and discovering its momentous history. In the morning, take part in a guided walking tour of Avignon, the seat of the Catholic popes from 1309 to 1377. Admire the grand Palace of the Popes, one of the world's most fascinating examples of Gothic architecture and the Pont d'Avignon. After lunch, join the excursion to the hilltop town of Uzès and to the Pont du Gard, a Roman aqueduct and great masterpiece of engineer-

DAY 6 | ARLES

Old Arles is a delight to wander in and explore, no wonder it once captured the imagination of the brilliant Impressionist painter, Vincent van Gogh. Learn more about its rich history during the morning tour. Inside the Roman amphitheater, get a good impression of what being a spectator of gladiator fights was like at the end of the first century. This afternoon, recharge in the tranquility of unspoiled scenery by joining the excursion to the natural beauty of the Camargue's salt marshes, home to the renowned Camargue bulls and wild white horses. This nature preserve is also one of the few European habitats which supports the greater flamingo. After a full day in Arles, your vessel will continue cruising the Rhône River.

DAY 7 | CHÂTEAUNEUF-DU-RHÔNE - LE POUZIN

You can choose to spend the day on board or join a morning guided tour of the Ardèche Gorge. Visit the "Grand Canyon of Europe," where spectacular limestone cliffs tower over the meandering river below. France is a leading producer of black truffles, so the alternative is an exploration of the world of truffles with a visit and tasting to a local truffle farm. Rejoin the vessel in Le Pouzin in time for lunch. This afternoon, embark on a delightful excursion to Tournon and the renowned Valrhona Chocolate Museum, where you can discover the rich flavors of the Rhône Valley and savor some of France's finest chocolates. Alternatively, unwind on board as your ship gently glides back along the picturesque waterways of Provence. Cap off your day with an elegant Gala Dinner.

Important Information

AIR CONDITIONING: Please note that the air conditioning in your cabin is only effective if doors and windows are kept closed. Air conditioning can be regulated individually in each cabin.

ANNOUNCEMENTS: A public address system enables our Cruise Directors to provide important information about places we are passing, the onboard program and shore excursions. You can hear these announcements on the Sun Deck, in your cabin, and in all public areas of the vessel.

CHANGING MONEY: Please inform yourself of the currency regulations in the countries you are visiting before commencing your journey.

CLOTHING: By day and during shore excursions, we recommend casual clothing and comfortable footwear. A jacket or pullover may be required in the evening. For dinner and special occasions we recommend dressing smartly.

CRUISE DIRECTOR'S TEAM: The Cruise Director's team will look after you throughout the cruise and is happy to provide any additional information you require.

CRUISE ITINERARIES: Although every effort is made to keep itineraries as advertised, we reserve the right to make changes and substitutions as necessary to ensure the safety of our guests and our vessels. Due to force majeure, high or low water, and technical problems relating to the ship, as well as waterway infrastructure, waiting times at locks due to traffic, etc., changes may occur. In such cases, you will be immediately informed on board about the consequences.

DAILY PROGRAM: A Daily Program is placed in your cabin on the previous evening. It contains important information such as meal times, as well as the timing for excursions and other events.

DECKCHAIRS: There are plenty of deckchairs on the Sun Deck which are available free of charge.

DINING: The onboard restaurant accommodates all guests in one sitting. The restaurant serves both local and international dishes and a vegetarian option is always available. The Maitre D' will assist with seating.

DOCKING: Local river authorities allocate docking space around ship arrivals/departures in port. Occasionally port conditions require ships to tie up alongside each other, in which case guests may be required to walk through another ship to access their own ship. This is part of the river cruise experience and is perfectly normal and beyond our control. Guests may experience obstructed views from staterooms when the ship is docked.

DRINKING WATER: The ship has been outfitted with a sophisticated filtration system, and the tap water in each stateroom is safe to use.

ELECTRIC CURRENT: The voltage on board ship is 230 V, European standard. To use any electrical product that is not dual voltage (e.g. from the US, Canada, Australia or the UK), you will need a plug adaptor and some devices will require a voltage converter. A two-pole adaptor is available at reception.

ELEVATOR: All AMADEUS vessels in this brochure are equipped with an elevator that services all decks except the Sun Deck.

EMBARKATION AND DISEMBARKATION: Your cruise begins with embarkation – usually from 4:00 p.m. Please refer to your travel documents for the exact embarkation time. Upon check-in, you'll receive your cabin key and initial

information about life on board. Afterwards, meet the crew during the Welcome Cocktail in the Panorama Bar and receive the mandatory safety briefing. Your cruise concludes with disembarkation, which typically takes place after breakfast.

ENTERTAINMENT PROGRAM: The schedule for the onboard entertainment may be found in the Daily Program.

EXCURSION PROGRAM: For bus excursions, the minimum number of participants is 20 per language; for walking tours, it is 12 per language. We recommend booking in advance – as a discounted package up to 8 weeks before departure or as individual excursions up to 4 weeks prior to travel (after that, bookings are only possible on request and subject to availability). Please note that no refunds will be given for unused pre-booked excursions.

FAMILY RATE: Die AMADEUS *Nova*, *Imperial*, *Riva*, *Queen* and *Provence* have a limited number of C-1, C-4 resp. B-4 cabins with connecting doors, which can be booked on request for 2 adults with 1 or 2 children.

FITNESS: For those who don't want to skip their workout routine while on vacation, the onboard fitness room is available free of charge and open 24/7. It's equipped with high-quality training machines to keep you active throughout your journey. For an energizing start to the day, morning exercise sessions on the sun deck are the perfect choice.

GIFT SHOP: This shop offers exclusive AMADEUS branded items, as well as souvenirs, postcards, stamps, accessories and some everyday essentials.

General Terms and Conditions of Travel 2026

PREAMBLE:

These travel conditions are issued in the name of the carrier, Lüftner Cruises GmbH / A-6020 Innsbruck, for the travel programs included in this brochure. In the following, this is referred to as "the carrier". The transportation of passengers and baggage on any of the vessels offered is governed solely by the Terms and Conditions of the Passenger Ticket Contract (available on request).

PAYMENT POLICY:

A deposit of 10% per person is required to secure a confirmed reservation. When more than one cruise is booked, deposit and payment policies apply per cruise. The balance is due for payment no later than 20 days prior to departure, despite no further request for payment being made. All reservations are subject to cancellation if payments are not received by the due date, and in such a case the operator is entitled to cancel the reservation/s in accordance with the cancellation fees specified in these terms and conditions. Upon full payment by the participant(s) of the amount specified in the invoice, the operator agrees to arrange for the provision of the services as described in this brochure. Your payment or acceptance of a ticket constitutes your agreement to the terms and conditions of travel.

CANCELLATION POLICY:

In cases of cancellation the operator has the right to demand the following cancellation fees, calculated as a percentage of the travel price and dependent on the number of days left until the planned departure date:

121 days or more	10%
120 – 90 days	15%
89 – 60 days	35%
59 – 30 days	50%
29 – 15 days	80%
14 – 1 day(s)	85%
on the day of departure	90%

Cancellations must be made in writing. Cancellation invoices are due for payment as soon as they are received.

WITHDRAWAL AND TERMINATION BY THE CARRIER:

The carrier may withdraw from the travel contract before the cruise starts or terminate it after the cruise has begun in the following cases, without the carrier being liable for any claims, particularly not for damages:

- a) The carrier and its representatives on board have the right to prohibit passengers from remaining on board if, despite prior warning, they do not comply with the rules and regulations in force during the cruise, including, in particular, applicable hygiene and health measures, and orders and instructions by the ship's command, or if their behavior impairs the health and well-being of other passengers or crew, and/or the safety of the ship, or if their behavior harasses other passengers. All consequences arising therefrom shall be borne exclusively by the passenger themselves and they shall not be entitled to a refund of the cruise fare.
- b) if, by two (2) weeks prior to the start of the cruise, the advertised minimum number of participants has not been reached, which is 80 passengers per cruise or whatever other minimum number of participants has been indicated in the advertising for the service concerned. This also applies in the event that it becomes apparent at an earlier point in time that the minimum number of participants will not be reached.
- c) if, by four (4) weeks prior to the start of the cruise – with the carrier having exhausted all other possibilities – it would be unreasonable for the carrier to execute the cruise because the costs incurred in the execution of the cruise would exceed the economic limit in relation

to this cruise; that is, unless the carrier itself is answerable for the main reasons leading to the situation concerned.

GUARANTEE, REDRESS AND DUTIES TO CO-OPERATE:

If travel services are not provided as contracted then the traveler may demand redress, either directly on board or via his/her travel agency. Irrespective of the carrier's overriding duty to provide service, the traveler has a duty to co-operate in that they must do whatever they can reasonably do to contribute to remedying the disruption and to keep any losses that may arise as low as possible or to avoid them completely. The traveler has a particular duty to advise the carrier's representative on board (specifically the hotel manager, cruise director) immediately of any possible complaints. However, these persons are not authorized to deal with any claims.

CHANGES IN SERVICES AND PRICES:

- a) Changes and deviations of individual travel services from the agreed tour contract (for example, timetable changes, changes to scheduled sequences, or to hotel reservations) that become necessary after conclusion of the contract, and where there is no evidence of bad faith on the part of the carrier, are permissible, provided they are not significant changes and do not alter the overall tour program.
- b) The carrier reserves the right to alter the prices mentioned in the case of transportation price increases (particularly due to rises in fuel costs), docking fees, or due to fluctuating exchange rates, or to any other rises in prices /costs that were not known at the time of the completion of the booking contract.

ACTS OF GOD, STRIKES, OR OTHER CONDITIONS BEYOND CONTROL:

- a) **Before the cruise starts:** If execution of the cruise is made more difficult, jeopardized or impaired as a result of extraordinary circumstances that were unforeseeable at the time of entering into the contract and out of the control of the carrier, such as war, strikes, civil unrest, sovereign directives (such as the requisition of accommodation or of means of transportation), embargoes, natural disasters, accidents, epidemics, pandemics, damage to the vessel (especially to the hull and engines, etc.), or other occurrences that are equivalent in their effect to the examples mentioned above (force majeure), the contracting parties may withdraw from the contract before the start of the trip, without any claims against the carrier arising from this, in particular for damages.
- b) **After the cruise has begun:** If the circumstances specified above come about after the cruise has begun and the cruise is ultimately delayed, then the carrier is authorized to reconstruct the remaining journey such that other routes or means of transport are organized, for example, by avoiding a harbor, or by traveling overland, so that the journey can be ended at approximately the original time specified. In such a case, the tour price will not be reduced and the carrier will not be liable for claims, particularly not claims for damages.
- c) **Termination of a cruise:** Should a cruise have to be terminated due to any of the abovementioned circumstances, the carrier is authorized to transport passengers and their baggage by alternate means of transport (such as by train, bus or plane) to the agreed starting or end point of the cruise, or to an appropriate intermediate point with suitable means of transport. The carrier is not
- d) **Ship in distress:** Should another vessel be in need of the cruise ship's assistance during a cruise, then the carrier is not liable for any delays caused by the assistance rendered or by any rescue operation. The decisions regarding such possible assistance rest solely with the ship's captain. The carrier will not be liable for claims, particularly not claims for damages.
- e) **Changes in the water level:** Unusually low or high river water levels may cause changes to the itinerary, possible re-embarkation onto

another vessel or transfer(s) by coach or rail, or may even lead to a shortening of the journey. The carrier and the ship's captain sometimes have to take such decisions quickly. Such measures do not justify withdrawal from the contract by the person traveling and the carrier is not

UNUSED SERVICES:

If as a result of an early return or for other reasons, passengers do not make use of individual cruise services that were properly offered, there is no entitlement to a pro rata refund of the cruise price. The carrier will, however, make an effort to obtain reimbursement for the expenses saved from relevant service providers. This obligation does not apply if the services in question are insignificant.

PASSPORTS, VISAS, CUSTOMS, CURRENCIES AND HEALTH REGULATIONS:

The traveler is solely responsible for compliance with all matters regarding travel-related regulations and prerequisites. Any interruptions resulting from noncompliance with such regulations will be at the expense of the traveler, unless caused by intentional misinformation by the carrier.

INSURANCE BOND:

Lüftner Cruises GmbH is listed in the carrier directory of the Austrian Ministry for Economics, Family and Youth under number 2004/0052. In accordance with the travel agency insurance ordinance applicable to Austrian carriers (Reisebürosicherungsverordnung – RSV), Lüftner Cruises GmbH insures customer money received. Further information regarding this travel security and on the assertion of rights, deadlines, etc., and on claim exclusions can be obtained from the travel agency handling the reservation.

TRAVEL INSURANCE:

For your own safety, it is advisable to take out an insurance policy in good time, covering, in particular, possible cancellation costs as well as damage and/or loss of your luggage, costs for possible medical treatment, repatriation services, etc.

CHILDREN/MINORS:

Due to the particular features of the cruise programs, special provisions apply to bookings with children and minors:

- The carrier may limit the number of passengers under 3 years of age.
- Passengers up to the age of 16 must be accompanied by and share a cabin with a parent, guardian or other responsible adult over the age of 21. Parents and guardians are responsible for the behavior and appropriate supervision of their accompanying children and minor(s) throughout their vacation.

PASSENGERS WITH RESTRICTED MOBILITY:

The carrier has considerable respect for people with restricted mobility who choose to travel. In this sense it will not discriminate against persons with a disability in any way. Taking part in a river cruise does, however, place certain demands on passenger mobility. On all ships, passengers must be able to walk up and down the pathway to and from the ship as well as on the stairs and ramps without a walking aid or wheelchair. These are generally not wide enough for these walking aids and the breadth of these stairs and ramps, making it impossible for people to help with movement. Scooters and wheelchairs are not permitted on board and the carrying of other walking aids may also be restricted due to safety reasons. For this reason, persons with special needs must inform the carrier before booking who must grant permission regarding travel. If a passenger is not permitted to travel for this reason or any other medical reason, this cannot lead to a claim against the carrier for damages for whatever reason.

FOOD INTOLERANCES AND DIETARY REQUIREMENTS:

Our chefs and restaurant staff make every effort to accommodate dietary requirements and food intolerances to the best of their ability. However, individual requests can only be considered if service fulfillment for all passengers on board can also be ensured. To ensure dietary requirements are taken into account, the carrier must be notified in writing at least 60 days prior to departure. Without timely notification, passengers cannot expect their dietary requirements to be considered. In all cases, passengers are responsible for checking the served food within their own capabilities. The carrier reserves the right to deny boarding to passengers if fulfilling specific dietary requirements would exceed the operational capacity on board. In such cases, no compensation of any kind can be claimed from the carrier. These restrictions also apply to any additional services, such as shore excursions, transfers, or other arrangements booked through the carrier in connection with the cruise.

LIABILITY/LIMITATION OF LIABILITY/DISCLAIMERS:

- a) The carrier is liable for services which are included in the description of the respective cruise.
- b) The carrier is not liable for any service disruptions, damages to persons and/or not all the ports, buses, etc. that are used have suitable facilities.
- c) The carrier expressly refers to possible liability limitations and exemptions relevant under the Strasbourg Convention on the Limitation of Liability of Owners of Inland Navigation Vehicles (CLNI), including protocols and amendments, together with the further provisions of the International Convention of Limitation of Liability for Maritime Claims, 1976, likewise including amendments and addenda, if and as applicable, as well as all further state laws applicable in this respect.
