A-ROSA FAMILY PERKS

Our best-known family perk is our **kids cruise free policy**, where guests aged 11 and under sail free in selected cabin grades all year round (conditions apply, read more on p. 8). But as one of the most family-friendly river cruise lines, we offer much more than that. Read on to find out more!

FAMILY-CENTRIC EXCURSIONS

On our cruises, the whole family can explore together, whether it's on their own or on a guided excursion with A-ROSA. That's why we offer some exciting, fun and interactive excursions that are designed with families in mind.

For example: 'Excursion to the Zoo of Lyon' on selected Rhône cruises, 'Exploring Ehrenbreitstein fortress' on selected Rhine cruises or 'Discover Vienna as a history detective' on selected Danube cruises.

NOTE: Some family excursions are only offered during our family cruises and may be subject to minimum numbers. To find out what excursions are on offer, take a look at our excursion brochures. Look for the little balloon symbol that marks our family tours! You can easily find them online on our website all the way at the bottom in our [download section](#).

Example excursion from our excursion brochures:

EXPLORING EHRENBREITSTEIN FORTRESS: FUN FOR ALL THE FAMILY

You'll start the excursion by taking a cable car up the hill, which is an experience in itself. Once you've arrived, you'll go in a walking tour that's geared to young guests and makes exploring and learning fun. There'll also be plenty for you to enjoy, including breathtaking views from the Fortress across the mouth of the Moselle and the city of Koblenz.

Price: € 39,00 | Duration: approx. 01:30 h

During these Family Cruises, we have unique offers for families on board, such as our Kids Club, family-centric excursions and more. - ✓ On selected dates throughout the season, as well as Christmas and New Year's Cruises

Our A-ROSA Kids Club with childcare is available on Family Cruises and on A-ROSA SENA year-round.

EXAMPLE PROGRAMME AT THE KIDS CLUB:

On **PIRATE DAY**, children become real pirates for the day and do what pirates do – board ships and go on a treasure hunt.

In our **CREATIVE STUDIO**, there's always something to do, whether that's painting bags or making unique bracelets.

During a **MOCKTAIL WORKSHOP**, our bartenders will show the kids how to mix non-alcoholic cocktails, a real hit with older kids.

A-ROSA SENA is the first river cruise ship with a dedicated Kids Club, open all year. "The kids' club is a real treat for families. Decorated with nautical-themed artwork, the space is soft and inviting, with children reading, coloring, and building dens [...]." - Kerry Spencer in Travel + Leisure (2024)

KIDS-FRIENDLY DINING

Our dining scene gets more playful, too, on our family cruises. With family-friendly dishes served in our signature relaxed, casual style, even the pickiest eaters are sure to find something that they enjoy.

From Pampering to Pick-Me-Ups

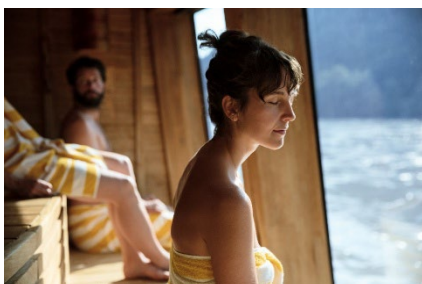

PLENTY FOR PARENTS TOO

When your little ones are busy making memories of their own at the Kids Club or playing with newfound friends, it's easy to enjoy a little well-deserved and guilt-free 'me-time'. A-ROSA offers plenty of opportunities for parents to relax, unwind, and indulge in the little joys that make your holiday truly special. From whetting your whistle to slipping into a robe for a spa treatment, there's something for everyone.

AFTERNOON TEATIME

It's the little things, like a delicious cup of coffee or a sweet treat, that can be the perfect pick-me-up. That's why we have a daily teatime, where guests can enjoy little bites, cakes, speciality coffees and tea to satisfy those afternoon cravings. And even outside of teatime, our bar is always ready to whip up your favourite frothy cappuccino or latte.

OUR SPA-ROSA

Unwinding has never been easier. Most A-ROSA ships are equipped with a SPA-ROSA, where guests can enjoy a rejuvenating massage*, a pampering beauty treatment*, or head to the sauna or gym. Slip into a robe, let go of your worries, and treat yourself to a little serenity.

WINE AND DINE

Family-friendly mealtimes are always a given on our family cruises, with delicious buffet options to suit both young and old alike. But for a more romantic setting, parents could also opt for a seasonal 4-course à la carte dinner with paired fine wines for a quality date night*.

EVENING ENTERTAINMENT

When the sun sets, the fun doesn't stop. Most A-ROSA ships feature a dance floor, where guests can let loose, enjoy their favourite tunes, and make memories together. With the kids happily entertained or soundly asleep, parents can relax and enjoy the evening knowing everyone is having a great time in their own way.

*Additional charges apply.

FREQUENTLY ASKED QUESTIONS

Are river cruises a safe holiday option with kids?

River cruises are a safe way to travel with children. The size of our ships makes them easy to navigate. In addition, the windows in family cabins and Deck 1 cabins cannot be opened, so they are childproof.

Is it possible to go on a river cruise with a baby?

There is no age limit on board the A-ROSA fleet. A-ROSA will be happy to provide you with a baby bed. On board A-ROSA ALVA, A-ROSA ALEA and A-ROSA CLEA, this is only possible in the suites. To ensure availability, please contact the A-ROSA Service Centre or Cruise World. _____

CHILDREN'S DISCOUNTS

On Deck 1, children aged 11 and under travel free of charge when sharing a cabin with at least one adult. Children aged 12-15 cruise free of charge when accompanied by two adults; when accompanied by one adult, they pay a fixed rate of € 60 per night for cruises of up to 5 nights and € 90 per night for cruises of 6 nights or more.

On Deck 2 and above, a child discount of 30% applies. Furthermore, children up to 7 years of age, accompanied by 2 supervising adults, can use a sofa bed free of charge on A-ROSA SENA in categories B-D.

Child discounts apply only to the cruise fare itself and are subject to limited availability.

CHILDREN AT SPA-ROSA

Children may accompany their parents in SPA-ROSA. Any spa treatments for kids under 16 years old require the presence of an accompanying adult. The gym equipment may not be used by children younger than 16 years of age.

TRAVEL DOCUMENTS FOR CHILDREN

All children must have their own travel documents to cross borders into other countries, even when travelling to Schengen countries. In general, there is no passport control when crossing the border, but in some cases, identity papers may be required. We recommend that you apply for your child's own travel document with your local passport authorities ahead of time.

CHILD CAR SEATS IN BUSESSES

In buses (over 3,5 t), there is no legal requirement to use a car seat. However, there must be a seat available for every child (regardless of age), and seat belts are compulsory. For safety reasons, we recommend that you bring your own infant/child safety seat, if your child can't yet sit on their own, so that you can secure your child with the lap seat belt.

LIMITATION OF LIABILITY

Parental supervision obligation/childcare: Supervision of any accompanying children remains the responsibility of their parents on all cruises with A-ROSA Flussschiff GmbH. This also applies if A-ROSA Flussschiff GmbH provides any childcare services as part of their programme. These programmes are designed to provide entertainment for the children. As the A-ROSA Flussschiff GmbH river cruise ships do not have any enclosed spaces for the purposes of supervision, A-ROSA Flussschiff GmbH is unable to guarantee uninterrupted supervision of the children.
